Order Removing Conditions

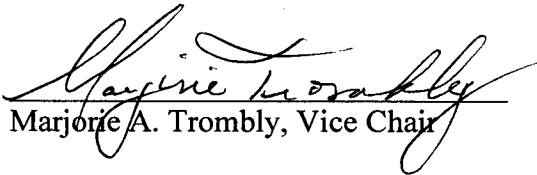

On January 17, 2013 the Vermont Board of Allied Mental Health considered Brian Wilcox's request for removal of the conditions imposed on his license as a Licensed Clinical Mental Health Counselor by Order of this Board dated July 21, 2011. The State has no objection.

Based on the Representations of Board staff, the Board finds that Respondent has met all the requirements of the Order, and that reinstatement of his license with no conditions is appropriate.
