

STATE OF IOWA
BEFORE THE IOWA BOARD OF PSYCHOLOGY EXAMINERS

IN THE MATTER OF:	)	
	)	
STEVEN B. ROBBINS	)	
	)	CONSENT AGREEMENT
	)	
Applicant.	)	

The Iowa Board of Psychology Examiners (Board) and Steven B. Robbins (Applicant) enter into this Consent Agreement (Agreement) pursuant to Iowa Code sections 17A.10 and 272C.3(4) (2001):

1. The Applicant seeks a license to practice psychology in the State of Iowa.
2. The Applicant is currently licensed to practice psychology in the State of Virginia. The Applicant's Virginia license is now in good standing; however, the Applicant's Virginia license was subject to discipline because the Applicant pled nolo contendere to and received a felony conviction of "misuse of public funds."
3. The Applicant's felony conviction and license discipline in the State of Virginia would provide the Board with grounds to deny him a license to practice psychology in the State of Iowa. The Applicant has, however, satisfied all of the requirements of the Virginia Board of Psychology; and his Virginia license has been fully reinstated in good standing.

4. Upon approval of this Agreement by the Board, the Applicant shall receive a license to practice psychology in the State of Iowa subject to a six month term of probation as provided in this Agreement.
5. The Applicant's license to practice psychology shall be placed on probation for a period of six months beginning on the Board's approval of this Agreement. During the probationary period, the Applicant shall comply with the following terms:
 - a. Limitation on Administration of Government Funds: The Applicant shall not administer any federal, state, or local government funds.
 - b. Bi-Monthly Reports: The Applicant shall submit reports to the Board by the first day of every other month, beginning October 1, 2001. The reports shall address the Applicant's compliance with the terms of this Consent Order and a general summary of the Applicant's professional activities during the reporting period. The Board reserves the right to require the Applicant to complete a specific reporting form if it deems necessary.
 - c. Appearances: The Applicant shall make appearances before the Board if requested during the probationary period. The Board may require an exit interview with the Applicant prior to his discharge from probation. The Applicant shall be given reasonable notice of the date, time, and place for any appearances. Any appearances shall be subject to the waiver provisions of 645 IAC 9.7; the Applicant waives any objection to a Board member participating in the appearance and later participating as a decision maker in a contested case proceeding.
 - d. Compliance with the Law: The Applicant shall comply with the laws and administrative rules governing the practice of psychology in Iowa.

6. The Board reserves the right to review Respondent's compliance with the terms of this Agreement at any time.
7. Should the Applicant violate the terms of this Consent Agreement in any respect, the Board may institute formal disciplinary proceedings. This Agreement shall be made part of the permanent record of the Board, and violations of this Agreement may be considered by the Board in determining the nature and severity of any future disciplinary action.
8. This Agreement is subject to approval by the Board. If the Board fails to approve this Agreement, it shall be of no force or effect on either party.
9. The Applicant voluntarily submits this Agreement to the Board for its consideration.
10. This Agreement is a public record available for inspection and copying in accordance with Iowa law.
11. Upon successful completion of the probationary term prescribed by this Agreement, the Applicant shall be granted an unrestricted license to practice psychology in the State of Iowa, if no other legal impediments exist.
12. The Applicant agrees that the State's counsel may present this agreement to the Board and may have *ex parte* communications with

the Board about this Agreement.

WHEREFORE, the terms of this Consent Agreement are agreed to and accepted by the Iowa Board of Psychology Examiners and the Applicant.
