IN THE MATTER OF THE LICENSE *
TO PRACTICE AS A PSYCHOLOGIST
OF STEVEN C. DAWDY, Ph.D. * SETTLEMENT AGREEMENT

Respondent. *

COMES NOW the Iowa Board of Psychology Examiners (hereinafter the Board) and Respondent, Steven C. Dawdy, Ph.D. (hereinafter the Respondent), and pursuant to Iowa Code sections 17A.10(1), 258A.3(4), and 470 Iowa Admin. Code, section 140.204(2), enter into the following settlement of the matter presently before the Board involving the Respondent's license to practice as a psychologist in the State of Iowa. Both parties agree to the following facts and terms of the settlement:

1. That the Respondent presently possesses a license to practice as a psychologist in the State of Iowa.
2. That the Board has jurisdiction over the disciplinary action pending against the Respondent.
3. That following the investigation of a complaint made against the Respondent on or about May 20, 1987, the Board directed legal counsel to attempt to effect a settlement of the matter.
4. That the Respondent does not contest the allegation set forth in the complaint and agrees that the Board may treat the allegation as true. The Respondent understands that there is no

admission on his part of the truth of the allegation, but merely an agreement that the Board may treat the allegation as true.

5. That the Respondent agrees to the imposition of a probationary period on his license to practice psychology. The manner in which probation is imposed will be as follows:

- a. The Respondent will be under probation for a period of at least eighteen (18) months. The probation period begins November 1, 1987 and continues until the meeting of the Board which is convened closest to, but follows, the eighteen month date.
- b. During the period of probation, the Respondent's practice shall be monitored by Dr. John Tedesco, license #49. Such monitoring shall include a review of records, case management, and other issues surrounding patient care and practice management. No less than five (5) sessions of monitoring shall take place during the probationary period. The five (5) sessions shall be held intermittently and according to a schedule which will provide maximum benefits. Scheduling will be left up to the Respondent and Dr. Tedesco.
- c. Written reports of the meetings of the Respondent and monitor shall be submitted by the monitor to the Board after each session.
- d. Payment of the monitor shall be provided by both the Respondent and the Board. The Board shall be billed on a regular basis by Dr. Tedesco (i.e. Child Guidance Center), with a billing period following each visit. The Board shall remit the entire payment to the Child Guidance Center and shall in turn request payment from the Respondent for one-half of the amount of the bill. Billing from the Child Guidance Center shall be at the rate of \$38.50 per hour for five visits, each of which will run two (2) hours in length. The Respondent shall reimburse the Board with a check payable to the Iowa Board of Psychology Examiners, and sent to the attention of the Professional Licensure

Division of the Iowa Department of Public Health.

- e. The monitor reserves the right to confer with the Board on matters concerning the Respondent.
- f. The monitor will be given a copy of the consent agreement in order to know what is required.
- g. The monitor shall have no legal responsibility for the actions of the Respondent.

7. That any failure by the Respondent to comply with the terms and conditions of this agreement shall subject the Respondent to further licensee disciplinary action by the Board.

8. That Respondent's compliance with this Agreement is not intended to preclude the Board from taking other disciplinary action against the Respondent should the Board find that other rule or statutory violations have been committed.

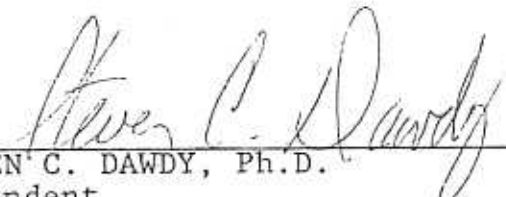

9. That upon full compliance with the terms and conditions of this agreement, Respondent's license to practice psychology shall be restored to its full privileges free and clear of all terms of the probation imposed herein.

10. That Respondent has voluntarily, with full knowledge and consent, entered into this settlement agreement with the Board of Psychology Examiners.

11. That this settlement agreement is subject to approval by the Board.

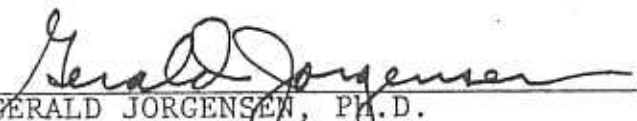

12. That this agreement is public record pursuant to Iowa Code sections 258A.3(4) and 258A.6(4) (1987).

WHEREFORE, the terms of this settlement is entered into by the Iowa Board of Psychology Examiners and the Respondent, Steven C. Dawdy, Ph.D., on this 15th day of April, 1988.
