FINDINGS OF FACT

1. Respondent is licensed as a professional counselor (#84336) in the State of Texas and is, therefore, subject to the jurisdiction of the Council.
2. Respondent failed to properly obtain informed consent to treat a client.
3. Respondent misrepresented his credentials in correspondence.
4. Respondent failed to list information regarding his LPC-Supervisor in required documentation.

2. Violation of the Council's Rules is unprofessional conduct and constitutes grounds for the imposition of sanctions under §§503.401, 507.301, and 507.351 of the Texas Occupations Code.
3. Based on the above Findings of Fact, the Council finds that Respondent violated 22 Tex. Admin. Code §§ 681.41(a), 681.41(e), 681.41(q), 681.41(v), 681.45(d), 681.49(a)-(b), 681.49(g)-(h), 681.91(m), and 882.31.

ORDER

IT IS HEREBY ORDERED, ADJUDGED, AND DECREED THAT:

1. Respondent's license is SUSPENDED for a period of two (2) years from the effective date of this order. However, the two (2) years of suspension shall be PROBATED, so long as Respondent complies with all state and federal statutes and regulations pertaining to the practice of professional counseling. Although the probated suspension ordered herein will result in Respondent's license being restricted, Respondent shall take all steps necessary to renew and maintain Respondent's license while this order is in effect. Respondent's license shall remain on restricted status until all terms of this order have been satisfactorily completed.
2. Respondent, within ninety (90) days of the date this order is ratified, shall complete and submit proof of completion of six (6) hours of professional development relating to general ethics for Texas licensed professional counselors, six (6) hours of professional development relating to record keeping, and twelve (12) hours of professional development relating to working with children and families. This professional development is in addition to the professional development hours required for license renewal. Respondent will pay all costs of the coursework. All 24 hours of professional development must comply with 22 Tex. Admin. Code § 681.140(f) to fulfill this requirement.
3. Respondent, within thirty (30) days of the date this order is ratified, shall submit documentation to the Council showing that he is complying with 22 Tex. Admin. Code § 681.35(a)(3) in informing all clients regarding restrictions placed on his license by the Council.
4. Respondent shall be required to practice under the supervision of a practice monitor for a period of two (2) years from the date this order is ratified. Respondent shall, within fourteen (14) days of the date this order is ratified, submit to the Council or its designee for approval the name and qualifications of a licensed professional counselor who has agreed to serve as a practice monitor. The practice monitor shall (1) be a Texas-licensed Licensed Professional Counselor - Supervisor with no record of disciplinary actions; (2) have no

business, professional, personal, or other relationship with Respondent that would interfere with the practice monitor's function or duties; and (3) possess specialized knowledge, education and experience in the same field of practice as that of Respondent. The practice monitor may not be an LPC-Supervisor who has previously provided supervision to Respondent.

Once approved, the practice monitor shall submit to the Council or its designee a monitoring contract and plan by which Respondent's practice shall be monitored for compliance with ethical and legal practice standards, as well as the terms of this Order. Monitoring shall consist of at least one (1) hour of individual face-to-face meetings every month. The Respondent shall provide the practice monitor with a copy of this Order and access to Respondent's records. Respondent shall execute a release authorizing the practice monitor to divulge any information the Council or its designee may request.

It shall be Respondent's responsibility to assure the practice monitor submits written reports to the Council or its designee on a quarterly basis verifying that monitoring has taken place and providing an evaluation of Respondent's performance. At the Council's discretion, if any of these reports provides sufficient concern, the Council may impose further monitoring requirements and/or take other appropriate actions to ensure the safety of the public.

In the event Respondent's monitor indicates that Respondent is fit to practice professional counseling, but makes recommendations concerning reasonable steps Respondent must or should take to enhance or maintain Respondent's fitness to practice professional counseling, Respondent shall comply with any and all recommendations made by Respondent's monitor. If Respondent refuses or fails to follow the recommendations, Respondent agrees that Respondent's license shall be **SUSPENDED**, without further hearings, informal settlement procedures, or any right of appeal for judicial review; pending further review of Respondent by the Council, or its designee.

If the monitor indicates there is sufficient concern or need to impose further requirements, restrictions, and/or take other appropriate actions to ensure the safety of the public the Council, or its designee, may do so at its own discretion. In the event Respondent refuses or fails to follow the additional requirements or restrictions imposed by the Council, or its designee, Respondent agrees that Respondent's license shall be **SUSPENDED**, without further hearings, informal settlement procedures, or any right of appeal for judicial review; pending further review of Respondent by the Council, or its designee.

If the practice monitor cannot continue the monitoring engagement, Respondent shall get approval from the Council or its designee for a new practice monitor. If no new practice monitor is approved, Respondent shall not practice until a new practice monitor has been approved. If Respondent does not have at least one (1) hour of individual face-to-face supervision every month Respondent's license shall be **SUSPENDED**, without further hearings, informal settlement procedures, or any right of appeal for judicial review, until

supervision resumes and the practice monitor submits a report attesting to Respondent's fitness to provide professional counseling services in safe and competent manner. During any period of suspension, non-practice, or non-supervision by a practice monitor, the practice monitoring time period shall be tolled and shall not apply to the reduction of the required practice monitoring time period. Respondent shall pay all costs associated with this practice monitoring requirement. RESPONDENT AGREES THAT ANY FAILURE TO COMPLY WITH THE PRACTICE MONITORING REQUIREMENTS, OR ANY OTHER TERM IN THIS ORDER, SHALL CONSTITUTE IMMEDIATE GROUNDS FOR REVOCATION OF RESPONDENT'S LICENSE.
