BEFORE THE TEXAS BEHAVIORAL
HEALTH EXECUTIVE COUNCIL

THE TEXAS STATE BOARD
OF EXAMINERS OF
PROFESSIONAL COUNSELORS

AGREED ORDER

Pursuant to its authority under §507.305 of the Texas Occupations Code, §2001.056 of the Government Code, and 22 Texas Administrative Code §884.12(e), the Executive Director for the Texas Behavioral Health Executive Council ("Council") hereby approves, ratifies, and enters this Agreed Order with the following Findings of Fact, Conclusions of Law, and Order of Council, which have been approved and accepted by **MATYAS KOOS** ("Respondent") and which constitutes a full settlement and compromise of the complaint(s) currently pending against Respondent before the Council in the above-referenced and numbered matter(s).

FINDINGS OF FACT

1. Respondent is licensed as a professional counselor (#71257) in the State of Texas and is, therefore, subject to the jurisdiction of the Council.
2. Around April 2022, Respondent received 60 months deferred adjudication for the 2nd degree felony of aggravated assault with a deadly weapon (Cause No. 1681746).
3. Respondent failed to timely report to the Council that he received 60 months of deferred adjudication for the 2nd degree felony of aggravated assault with a deadly weapon.
4. Respondent provided character letters, including those involved in Cause No. 1681746, that stated that Respondent is a well-respected individual and counselor.

CONCLUSIONS OF LAW

1. Respondent voluntarily received a license from the Council and, therefore, is bound by the provisions of Chapters 503 and 507 of the Texas Occupations Code and the Rules of the Council, 22 Texas Administrative Code Parts 30 and 41.
2. Violation of the Council's Rules is unprofessional conduct and constitutes grounds for the imposition of sanctions under §§503.401, 507.301, and 507.351 of the Texas Occupations Code.
3. Based on the above Findings of Fact, the Council finds that Respondent violated 22 Tex.

Admin. Code §§ 882.42(a)-(c), 884.32(a), 681.164(a), and Texas Occupations Code 53.021(a) and (d).

ORDER

IT IS HEREBY ORDERED, ADJUDGED, AND DECREED THAT:

1. Respondent's license is SUSPENDED for a period commensurate with the deferment period (60 months) that is the subject of this order (Cause No. 1681746) granted on April 18, 2022, with credit given for all months of deferment that have lapsed since April 18, 2022. However, this period of suspension, effective on the date of this order, shall be PROBATED, so long as Respondent complies with all state and federal statutes and regulations pertaining to the practice of professional counseling. Although the probated suspension ordered herein will result in Respondent's license being restricted, Respondent shall take all steps necessary to renew and maintain Respondent's license while this order is in effect. Respondent's license shall remain on restricted status until all terms of this order have been satisfactorily completed. If, prior to the expiration of this probated period of time, the Respondent is dismissed and discharged from the deferred adjudication for the 2nd degree felony of aggravated assault with a deadly weapon that is the subject of this order, the Respondent may submit a certified copy of the court's order releasing and discharging Respondent and at that time the probated suspension shall be complete.
2. Respondent shall be required to practice under the supervision of a practice monitor for a period of at least one (1) year from the date this order is ratified. After this one-year period is complete, the practice monitor shall submit a report to the Council, or the Council's designee, stating that no further monitoring is necessary, or, if the practice monitor determines that additional monitoring is needed, the report shall recommend an additional time period of practice monitoring. Subject to the Council's, or Council designee's, approval, Respondent shall be required to practice under the supervision of the practice monitor for any additional periods of time recommended by the practice monitor.

Respondent shall, within fourteen (14) days of the date this order is ratified, submit to the Council or its designee for approval the name and qualifications of a licensed professional counselor who has agreed to serve as a practice monitor. The practice monitor shall (1) be a Texas-licensed professional counselor – supervisor with no record of disciplinary actions; (2) have no business, professional, personal, or other relationship with Respondent that would interfere with the practice monitor's function or duties; and (3) possess specialized knowledge, education and experience in the same field of practice as that of Respondent.

Once approved, the practice monitor shall submit to the Council or its designee a monitoring contract and plan by which Respondent's practice shall be monitored for compliance with ethical and legal practice standards, as well as the terms of this Order. Monitoring shall consist of at least one (1) hour of individual face-to-face meetings every month. The Respondent shall provide the practice monitor with a copy of this Order and

access to Respondent's records. Respondent shall execute a release authorizing the practice monitor to divulge any information the Council or its designee may request.

It shall be Respondent's responsibility to assure the practice monitor submits written reports to the Council or its designee on a quarterly basis verifying that monitoring has taken place and providing an evaluation of Respondent's performance. At the Council's discretion, if any of these reports provides sufficient concern, the Council may impose further monitoring requirements and/or take other appropriate actions to ensure the safety of the public.

In the event Respondent's monitor indicates that Respondent is fit to practice professional counseling, but makes recommendations concerning reasonable steps Respondent must or should take to enhance or maintain Respondent's fitness to practice professional counseling, Respondent shall comply with any and all recommendations made by Respondent's monitor. If Respondent refuses or fails to follow the recommendations, Respondent agrees that Respondent's license shall be SUSPENDED, without further hearings, informal settlement procedures, or any right of appeal for judicial review; pending further review of Respondent by the Council, or its designee.

If the monitor indicates there is sufficient concern or need to impose further requirements, restrictions, and/or take other appropriate actions to ensure the safety of the public the Council, or its designee, may do so at its own discretion. In the event Respondent refuses or fails to follow the additional requirements or restrictions imposed by the Council, or its designee, Respondent agrees that Respondent's license shall be SUSPENDED, without further hearings, informal settlement procedures, or any right of appeal for judicial review; pending further review of Respondent by the Council, or its designee.

If the practice monitor cannot continue the monitoring engagement, Respondent shall get approval from the Council or its designee for a new practice monitor. If no new practice monitor is approved, Respondent shall not practice until a new practice monitor has been approved. If Respondent does not have at least one (1) hour of individual face-to-face supervision every month Respondent's license shall be SUSPENDED, without further hearings, informal settlement procedures, or any right of appeal for judicial review, until supervision resumes and the practice monitor submits a report attesting to Respondent's fitness to provide professional counseling services in safe and competent manner. During any period of suspension, non-practice, or non-supervision by a practice monitor, the one (1) year practice monitoring time period, or any subsequent practice monitoring time periods, shall be tolled and shall not apply to the reduction of this required one (1) year practice monitoring time period or any subsequent practice monitoring time periods. Respondent shall pay all costs associated with this practice monitoring requirement. RESPONDENT AGREES THAT ANY FAILURE TO COMPLY WITH THE PRACTICE MONITORING REQUIREMENTS, OR ANY OTHER TERM IN THIS ORDER, SHALL CONSTITUTE IMMEDIATE GROUNDS FOR REVOCATION OF RESPONDENT'S LICENSE.

WARNING

RESPONDENT'S FAILURE TO COMPLY WITH ONE OR MORE TERMS OF THIS ORDER MAY CONSTITUTE A VIOLATION OF 22 TEXAS ADMINISTRATIVE CODE §884.55 REQUIRING FURTHER DISCIPLINARY ACTION.

WAIVERS

On the underlying investigative file, Respondent has waived his or her right to an informal settlement conference, a formal hearing before an Administrative Law Judge at the State Office of Administrative Hearings (SOAH), and judicial review pursuant to Texas Government Code Chapter 2001, in exchange for the conditions set out in this Agreed Order.
