COMES NOW the Iowa Board of Behavioral Science Examiners, and in support of the Notice of Hearing filed in this case on this 10th day of February, 2006, sets forth the following facts which support the allegations contained in the Notice of Hearing.

1. On August 21, 2004, Respondent submitted a Renewal Application to the Iowa Board of Behavioral Science Examiners, seeking to renew his mental health counselor license.

2. On the Renewal Application, Respondent answered "No" to the question: "Has any state licensing, registration or certification organization instituted, reprimanded, suspended, revoked or otherwise disciplined a license issued to you since your last renewal?"

3. On June 13, 2003, the State of Nebraska Department of Health and Human Services issued a Findings of Fact, Conclusions of Law, and Order revoking Respondent's license to practice as a mental health practitioner in the state of Nebraska.

4. Respondent failed to report the revocation in writing to the Iowa Board of Behavioral Science Examiners within 30 days of the action and failed to respond truthfully on his Iowa Renewal Application regarding the revocation.

This statement of matters asserted is approved by the Board on February 10, 2006.
