On April 17, 2008, the Licensee was released to the supervision of the Department of Correctional Services and was ordered to have no contact with minors.

2. The Licensee has maintained a practice as a family psychologist in Iowa City, Iowa for several years.

3. Licensee and the State submit this Stipulated Order for Board approval.

Respondent does not waive his right to seek reinstatement of his license to active status in the future and may file an application for reinstatement in the future.

7. This Stipulated Order must be approved by the Board. If the Board fails to approve this Stipulated Order it shall be of no force or effect to either party.

This stipulated order is approved by the board on April 30, 2008.
