

BEFORE THE IOWA BOARD OF PSYCHOLOGY	
IN THE MATTER OF	
CARA HALE (formerly Cara Armstrong),	Case No. 12-005
RESPONDENT	STIPULATED ORDER ACCEPTING VOLUNTARY SURRENDER

COME NOW Cara Hale (Respondent) and the Iowa Board of Psychology (Board) and enter into the following Stipulated Order:

1. This matter was initiated pursuant to a Statement of Charges filed by the Board on January 3, 2013. Respondent and the Board entered into a Settlement Agreement and Final Order (Agreement and Order) to resolve this matter on February 15, 2013.
2. Respondent was employed at a federal facility in California at the time the Agreement and Order went into effect. She has since resigned from that position, and, for the time being, does not expect to retain employment for which a psychology license is required.
3. Respondent agrees to voluntarily surrender her Iowa psychology license, and understands that, pursuant to 645 Iowa Administrative Code Section 12.1(5) a voluntary surrender, when accepted by the Board, shall have the same force and effect as an order of revocation. This agreement shall constitute Respondent's written statement of intention to surrender her license pursuant to 12.1(5).
4. Respondent shall surrender her psychology license to the Board within ten days of the execution date of this Agreement. The execution date is that date which accompanies the Board Chairperson's signature.

5. By voluntarily surrendering her psychology license, Respondent agrees not to use any words or titles which imply or represent that she is a licensed psychologist or to otherwise hold herself out to the public as a licensed psychologist or to engage in the practice of psychology for which an Iowa psychology license is required.

6. Respondent shall not be eligible for reinstatement of her psychology license for a period of one year. Should Respondent seek reinstatement of her license to practice psychology in the State of Iowa, such application shall be subject to the provisions of 645 Iowa Administrative Code Section 11.31. In any application for reinstatement, Respondent shall be required to submit evidence that demonstrates to the Board's satisfaction that the basis for the surrender of Respondent's license no longer exists and that it will be in the public interest for the license to be reinstated. The Respondent shall bear the burden of proof establishing these facts.

AGREED AND ACCEPTED:

Cara Hale
