STIPULATED LETTER OF ADMONITION

July 18, 2007

Spencer I. Fickel, LPC, CAC III
58 Candlelight Lane
Gunnison, CO 81230

RE: Colorado State Board of Licensed Professional Counselors, Complaint No.: 2007-002693 and 2007-002616

Dear Mr. Fickel:

The Colorado Board of Licensed Professional Counselors considered the above referenced complaint at its May 18, 2007 meeting and the Colorado Addiction Counselor Program did so at their meeting on July 5, 2007. After thorough review and discussion by both boards, they have found probable cause to believe you violated C.R.S. sections 12-43-218, 12-43-222(g) and issued this Letter of Admonition in accordance with C.R.S. 12-43-224(3)(d). Specifically, the Boards determined:

- You breached client confidentiality by allowing your wife to type patient notes on your behalf.
- The Boards direct you to complete 3 hours of continuing education on the topic of confidentiality. This requirement must be complete within 12 months of the date of this letter.

By this letter, the Board takes the formal disciplinary action of admonishing you for conduct specified above, and warns you the repetition of such practice may lead you to imposition of more severe disciplinary action. This letter is an open public record and a reportable action to individuals and entities requesting disciplinary information. The Board strongly encourages you to review and understand the Mental Health Practice Act requirements and obligations for the practice of professional counseling in Colorado. Because the terms of this letter were negotiated, you agree to waive your right to contest the admonishment under C.R.S. 12-43-224(3)(d), and this letter will become the final agency action in this matter.
