RE: SGB #95.037(C)
Case No. RG GB DLIIR

Dear Ms. Florini-Turner:

At its meeting on May 10, 1996, the Colorado State Grievance Board (Board) reviewed your letter dated May 7, 1996, advising the Board that you have decided to accept the letter of admonition, originally dated January 17, 1995, concerning the complaint filed against you by K.R.M.

The Board found the psychotherapy services you provided to K.R.M.'s family warranted formal disciplinary action concerning your license to practice professional counseling and your psychotherapy practice in Colorado.

In the opinion of the Board, there are reasonable grounds to believe you failed to meet the generally-accepted standards of practice and violated section 12-43-704(1)(g), C.R.S. Specifically, the Board determined that:

Your interaction with police and school officials on behalf of a client constituted a professional service which was not in the best interest of your client.

The Board strongly encourages you to review your professional code of ethics and the mental health licensing statute.

By this letter, the Board takes the formal disciplinary action of admonishing you for the conduct specified above. This is the final agency action in this matter.

Sincerely,
FOR THE COLORADO STATE GRIEVANCE BOARD

Daniel Robinson
Board Chair
