Barbara Florey, LPC

RE: Case # 2005-004265

Dear Ms. Florey:

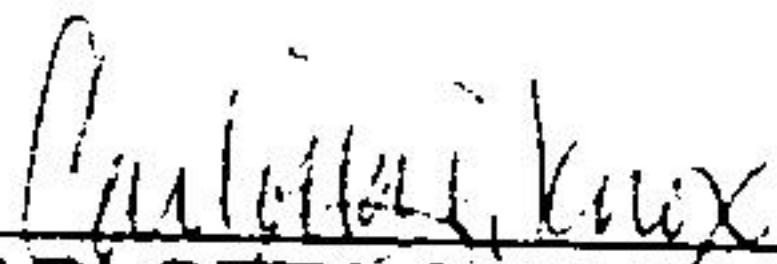

The Colorado Board of Licensed Professional Counselors considered the above referenced complaint at its December 19, 2008 meeting. After careful consideration of all the evidence before the Board, the Board determined that you are in violation of § 12-43-222(1) (g), C.R.S. for failing to refer several clients to a listed Sex Offender Management Board provider after you had been removed from the Sex Offender Management Board provider list. You continued to provide treatment for these clients while you were no longer a listed provider and that you could not provide the clients with court approved services.

Further, it is stipulated and agreed and the Board Hereby Orders that you will never practice again in the field of sex offender management or apply to the Sex Offender Management Board to become a listed provider in the future.

The Board hereby admonishes you pursuant to § 12-43-224(3)(d) for violation of § 12-43-222(1) (g).

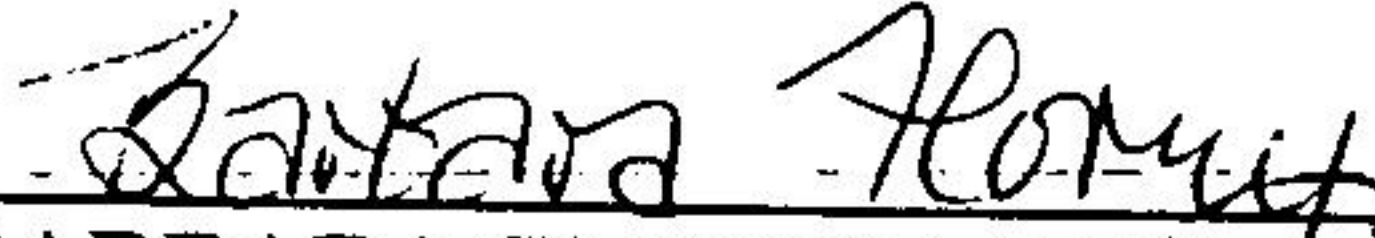

This admonishment shall be part of the permanent records of the Board. This is a disciplinary action that is available to the public. Because the terms of this Letter of Admonition were stipulated, you agree to waive your right to contest this admonishment as provided in § 12-43-224(3)(d).

Sincerely,

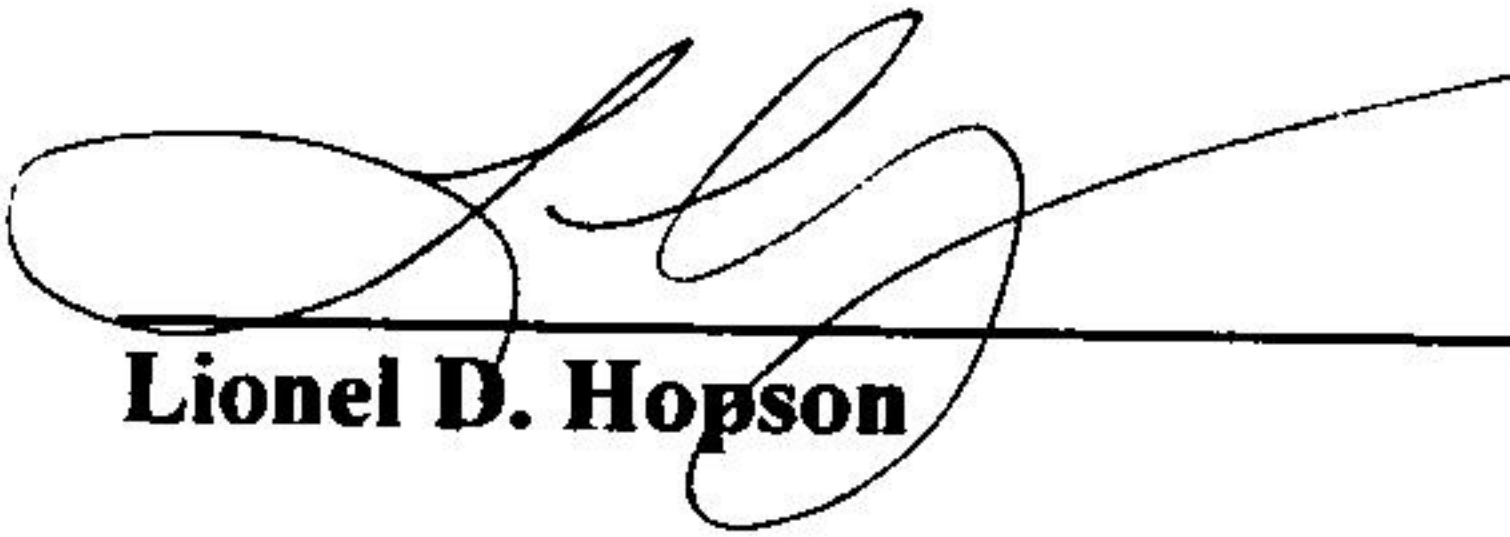

CARLOTTA D. KNOX
Program Director
