RE: Board Initiated Complaint
Case #2006-001893
Letter of Admonition

Dear Mr. Freedom:

At its meeting on January 20, 2006, the Colorado Board of Licensed Professional Counselor Examiners (Board) reviewed the available material concerning the complaint initiated by the Board. This is the first step in deciding whether to institute a formal proceeding for discipline.

After thorough review and discussion, the Board found probable cause to believe you violated CRS 2-43-222(1)(g) and (n), and issued this Letter of Admonition in accordance with CRS 12-43-224 (3)(d). Specifically, the Board determined:

You failed to act according to generally accepted standards for a licensed professional counselor, by failing to adequately provide supervision.

On the basis of the above findings, the Board hereby admonishes you for such practice and warns you that repetition of such practice may lead to imposition of more severe disciplinary action. This letter is an open public record and a reportable action to individuals or entities requesting disciplinary information. The Board strongly encourages you to review and understand the Mental Health Practice Act requirements and obligations for the practice of psychotherapy in Colorado.

In accordance with CRS 12-43-224(3)(d), the Board advises you that you have the right to make a written request that the Board initiate formal disciplinary proceedings in order to adjudicate the conduct or acts upon which this letter is based. You must make your written request within twenty (20) days after receipt of this letter and address your request to Gayle D. Fidler, Program Director, at the above letterhead address. If you make a timely request, the Board will deem this letter of admonition vacated and may proceed with disciplinary and/or injunctive proceedings in accordance with CRS 12-43-224(3)(d), and applicable rules.

If this letter is not vacated, it will become the final agency action in this matter.

Sincerely,

Cindy Musil
Board Chair
