2. Respondent was certified to practice as a Certified Addiction Counselor ("CAC
III") and licensed to practice as a Professional Counselor ("LPC") in the State of Colorado at all
times relevant herein.
3. This Order is a full and final resolution of Case Nos. 2013-5 and 2013-7. This
Order does not resolve any other cases, complaints, or matters, known or unknown to the Boards
or Respondent, as of the effective date of this Order.
4. Respondent admits the following:
 - a. For the majority of 2010, as well as throughout 2011 and 2012,
Respondent failed to maintain treatment records.
5. By virtue of the facts admitted in paragraph 4 above, the Boards find that
Respondent violated §12-43-222(1)(u), C.R.S.

PROBATION

6. Respondent's certification to practice addition counseling and license to practice
professional counseling in the State of Colorado are hereby placed on probation for two (2) years
commencing from the effective date of this Order or the date Respondent's practice monitor is

approved, whichever date is later. During the probationary period, Respondent shall be bound by the terms and restrictions set forth in this Order.

7. The period of probation is tolled during any time that Respondent is not practicing as a CAC III and LPC in this state, and such period of probation shall resume at such time as Respondent resumes practicing as a CAC III and LPC in the State of Colorado in accordance with this Order.

8. Credit toward the period of probation will be given only for the period of time during which Respondent is practicing in Colorado, is being monitored by a practice monitor, and is in full compliance with all terms of this Order.

9. If, at the end of the probationary period, Respondent has adhered to all terms and conditions of this Order, Respondent may request termination of probation. Request for termination of probation must be made in writing to the Boards, and Respondent is responsible for establishing, to the satisfaction of the Boards, that he has satisfied all terms and conditions of probation.

PRACTICE MONITOR

10. During the term of probation, Respondent's practice shall be monitored by a practice monitor. Within 30 days of the effective date of this Order, Respondent shall submit, in writing, three proposed practice monitors for the Boards' approval. Respondent shall include a program-approved practice monitor application from each potential monitor, with attached curriculum vita or resume. The practice monitor shall meet the following criteria:

- a. The practice monitor shall be a licensed, certified, or listed, currently practicing mental health provider in the State of Colorado;
- b. It is recommended that the practice monitor have a minimum of five years experience and has not been subject to professional discipline; and
- c. The practice monitor shall have no current or past financial or personal interest in Respondent or Respondent's practice. Former employees and business associates fall under this provision.

11. Respondent must have a practice monitor approved by the Boards within two months of the effective date of this Order. If this requirement is not satisfied, Respondent must cease practice and agrees to suspension of his practice until a practice monitor is approved.

12. After the Boards' written approval of the practice monitor, Respondent and the practice monitor shall enter into a written contract for monitoring. The practice monitor shall provide a copy of the written contract to the Boards as a part of his/her first report to the Boards. The contract must contain a provision stating that the practice monitor has received a copy of this Order, the complaint and responsive documents, any investigative report, and any prior practice evaluation; has read these documents; and understands the duties and responsibilities s/he is undertaking as Respondent's practice monitor. The practice monitor shall ensure that a written

notification is provided to each of Respondent's clients, informing the clients of the name, address, and telephone number of the practice monitor. This written notification may be provided in a mandatory disclosure statement.

13. The practice monitor shall conduct a practice evaluation during the first month of practice monitoring. The practice evaluation shall examine all aspects of Respondent's practice or proposed practice and his qualifications and ability to practice in accordance with generally accepted standards of practice and with skill and safety for clients, and determine whether he has the necessary qualifications, current ability, and competence to practice. The first practice monitoring report shall include the findings of the practice evaluation.

14. Should the Boards determine from the practice monitor's evaluation that Respondent cannot practice any part of his practice with skill and safety for clients in accordance with generally accepted standards of practice or does not have the appropriate qualifications, ability or competence for practice, Respondent shall immediately cease any part of the practice that the Boards determine, based on the evaluation, he is not qualified, competent, or safe to conduct. Based on the Boards' findings and the evaluation, the Boards will determine necessary actions that Respondent must take and conditions Respondent must meet so that Respondent can practice with skill and safety for clients in accordance with generally accepted standards of practice in any areas the Boards find Respondent is not qualified, competent, and safe to practice. Once Respondent satisfies the Boards that he is qualified, competent, and safe to fully practice, Respondent may resume full practice.

15. The practice monitoring shall consist of individual, in-person (face-to-face) sessions that occur for one hour, or such longer time as the practice monitor deems necessary, for every 20 hours of client contact, but at least once each month. Respondent and his practice monitor must review and discuss each of Respondent's active cases at least once every month in order to allow the practice monitor to be able to determine whether Respondent is practicing addiction counseling and professional counseling in accordance with generally accepted standards of practice and with skill and safety for his clients.

16. The practice monitor shall submit a written report to the Boards on the fifth day of the month following the first full month of practice monitoring. All subsequent reports shall be submitted on the fifth day of each month for the first 12 reports. After the submission of the first 12 reports, unless otherwise ordered by the Boards, the practice monitor shall submit his/her reports by the fifth day of every third month (i.e. on a quarterly basis) until the practice monitoring is completed.

17. If at any time the Boards have questions or concerns regarding the monitoring, the practice monitor agrees to attend any Board meeting necessary to address the Boards' concerns. The Boards will give the practice monitor 30 days notice prior to requiring the practice monitor's attendance at any Board meeting.

18. If at any time the practice monitor believes Respondent is not in compliance with this Order, is unable to practice with skill and safety to his clients, or has committed a violation of the practice act or rules and regulations, the practice monitor shall immediately notify the

Boards, in writing, and include the basis for this conclusion. A copy will be sent to Respondent. Upon submission of such a report, Respondent shall immediately cease the practice of addiction counseling and professional counseling.

19. Respondent shall make every effort to ensure that all reports by the practice monitor are complete and timely submitted to the Boards. If, in the Boards' judgment, the practice monitor fails to perform the function specified by this Order, the Boards may require that a new practice monitor assume the responsibilities herein. If for any reason the practice monitor ceases to perform the functions specified in this Order, Respondent shall submit, in writing, a new proposed practice monitor to the Boards within 30 days.

20. Respondent or the practice monitor may terminate the monitoring relationship upon written notice to the other and to the Boards not less than 60 days before the date of termination. The notice shall state the reason for the termination. Respondent shall immediately initiate efforts to obtain another Board-approved practice monitor, who shall conduct her/his monitoring and report to the Boards in accordance with this Order.

CONTINUING EDUCATION

21. During the period of probation, Respondent must successfully complete at least twenty (20) hours of Board-approved professional continuing education ("CE") courses each year in the areas of recordkeeping/documentation, professional standards, and clinical practice. Respondent shall obtain Board approval of the courses prior to enrolling in each course. Upon completion of a course, Respondent shall ensure that a certificate of completion is provided to the Boards. These hours of CE completed pursuant to this section shall be required in addition to, and may not be counted toward, the mandatory Continuing Professional Development requirements for an active Colorado certification or licensure or to meet any other certification or licensure requirements.

TERMS AND CONDITIONS

22. Respondent will strictly observe the prohibitions set forth in §12-43-222, C.R.S., and will ensure that he does not engage in any activities that are prohibited and that he practices in accordance with the generally accepted standards of practice.

23. Respondent shall not supervise or consult with other mental health providers for the purpose of those persons providing mental health services, unless such supervision or consultation is monitored in accordance with this Order.

24. All expenses incurred or associated with the practice evaluation, practice monitoring, education, or any other requirement necessary to fulfill the terms of this Order, shall be the sole responsibility of Respondent and not the Boards.

25. In the event Respondent relocates at any time during the probationary period, Respondent shall notify the Boards of the change of address within 30 days of the effective date of such change.

26. Respondent is fully aware of and understands the right to receive a formal notice of hearing and charges and to have a formal disciplinary hearing, pursuant to § 12-43-224, C.R.S., and hereby waives those rights. Further, Respondent also acknowledges that this waiver constitutes a waiver of all rights to appeal in this matter.

27. This Order is entered into by Respondent voluntarily and without coercion, after an opportunity to consult with counsel and with full understanding of the legal consequences of this Order and the right to formal hearing on all matters herein.

28. This Order shall become an order of the Board when it is accepted and signed by the Program Director or authorized Board representatives.

29. The Order entered pursuant to this Stipulation and Final Agency Order shall constitute a Board order for purposes of §12-43-222, C.R.S., and shall have the same force and effect as an order entered after a formal disciplinary hearing pursuant to §12-43-224, C.R.S.

30. Respondent acknowledges and agrees that any violation of this Order shall constitute a violation of a lawful Board Order and be grounds for further proceedings pursuant to the Mental Health Practice Act and, if proven, may constitute a basis for further disciplinary action. The pendency of any disciplinary action shall not affect the obligation of Respondent to comply with the terms of this Order, and this Order shall remain operative and in full force and effect.

31. This Order constitutes the entire agreement between Respondent and the Boards. There are no other promises expressed or implied. In the event that any provision of this Order is deemed unenforceable by a court of competent jurisdiction, such provision shall be severed, and the remainder of this Order shall be given full force and effect.

32. This Order shall become effective upon (a) mailing by first-class mail to Respondent at Respondent's address of record with the Boards, or (b) service by electronic means on Respondent at Respondent's electronic address of record with the Boards. Respondent hereby consents to service by electronic means if Respondent has an electronic address on file with the Boards.

33. This Order shall be a public record in the custody of the Boards.
