RE: Complaint Filed by Michael D. Sandifer
Case #00.013(C)

Dear Ms. Frohring:

At its meeting on March 17, 2000, the Colorado State Board of Licensed Professional Counselor Examiners (Board) reviewed the available material concerning the complaint filed by Michael D. Sandifer. This is the first step in deciding whether to institute a formal proceeding for discipline.

After thorough review of the information available, the Board found that your involvement in this matter, by providing an opinion/recommendation about custody issues when your role was not to perform a custody evaluation, falls below the generally accepted standards of practice and warrants formal disciplinary action concerning your professional counselor psychotherapy practice in Colorado.

In the opinion of the Board, there are reasonable grounds to believe you failed to meet the generally accepted standards of practice and violated C.R.S. 12-43-218 and 12-43-222(1)(g). Specifically, the Board determined that:

You disclosed confidential communications by providing information concerning Mr. Sandifer to third parties without authorization.

You provided the court with your opinion about child custody, without performing a custody evaluation.

You testified about a child in court that had never been under your care or treatment.

You provided the court with an inappropriate opinion about another therapist

The Board strongly encourages you to review your professional code of ethics and the mental health licensing statute.

By this letter, the Board takes the formal disciplinary action of admonishing you for the conduct specified above.

In accordance with C.R.S. 12-43-224(3)(d), the Board advises you that you have the right to make a written request that the Board initiate formal disciplinary proceedings in order to adjudicate the conduct or acts upon which this letter is based. You must make your written request within twenty (20) days after receipt of this letter and address your request to Amos D. Martinez, Program Administrator, at the above letterhead address. If you make a timely request, the Board will deem this letter of admonition vacated and may proceed with disciplinary and/or injunctive proceedings in accordance with C.R.S. 12-43-224 {formerly 12-43-705}, and applicable rules.

If this letter is not vacated, it will become the final agency action in this matter.

Sincerely,

Susan L. Garcia, MA, LDC
Board Chair
