Re: License Number: LPC.0017887
Case Number: 2023-4108

Dear Amy Brittain Fugier F/K/A Knight,

The State Board of Licensed Professional Counselor Examiners (the "Board") has concluded its inquiry into the aforementioned matter. However, the Board did determine disciplinary action in the form of this letter of admonition is warranted, pursuant to §12-245-225(1)(a), C.R.S.

Beginning on or about April 2022, Respondent provided counseling to a minor client. When working with that client, Respondent failed to act in a manner that meets the generally accepted standards of a Licensed Professional Counselor by failing to document communications made with client.

By this letter, the Board takes the formal disciplinary action of admonishing you for the conduct specified above and warns you that repetition of such practice may lead to imposition of more severe disciplinary action. This letter is an open public record and a reportable action to individuals or entities requesting disciplinary information. The Board strongly encourages you to review and understand the Mental Health Practice Act requirements and obligations for the practice of professional counselor in Colorado.

In accordance with §12-20-404(4)(b), C.R.S., the Board advises you that you have the right to make a written request that the Board initiate formal disciplinary proceedings in order to adjudicate the conduct or acts upon which this letter is based. You must make your written request within twenty days after receipt of this letter and address your request to Reina Sbarbaro-Gordon, Program Director, at the email address listed below. If you make a timely request, the Board will deem this letter of admonition vacated and may proceed with disciplinary proceedings in accordance with §12-20-404(4)(b)(II), C.R.S., and applicable rules.

A Letter of Admonition, when accepted, becomes a permanent, public portion of your record. It is not, however, a restriction on your practice as a licensed Professional Counselor.
