STIPULATION AND FINAL AGENCY ORDER

IN THE MATTER OF THE APPLICATION FOR LICENSURE TO PRACTICE PROFESSIONAL COUNSELING IN THE STATE OF COLORADO AND THE APPLICATION FOR REGISTRATION TO PRACTICE AS AN ADDICTION COUNSELOR CANDIDATE IN THE STATE OF COLORADO OF BRIA HAMPLEMAN, LICENSE NO. LPC (PENDING), ADDC (PENDING),

Applicant.

IT IS HEREBY STIPULATED by and between the State Board of Licensed Professional Counselor Examiners and the State Board of Addiction Counselor Examiners (together, "Boards") and Bria Hampleman ("Applicant"), as follows:

1. By application dated October 22, 2025, Applicant applied for licensure to practice as a professional counselor ("LPC") in the State of Colorado and by application dated May 2, 2025, Applicant applied for a registration to practice as an addiction counselor candidate ("ADDC") in the State of Colorado ("Applications"). Applicant was registered to practice as a professional counselor candidate ("LPCC") in the State of Colorado on August 23, 2023, having been issued registration number 21259, and is currently so registered.
2. The Boards have jurisdiction over Applicant, the Applications, and the subject matter of this Stipulation and Final Agency Order ("Order").
3. It is the intent of the parties and the purpose of this Order to provide for a settlement of all matters arising out of the Applications without the necessity of holding a formal hearing. This Order is a full and final resolution of case numbers 2025-6129 and 2025-10901. This Order does not resolve any other cases, complaints, or matters, known or unknown to the Boards or Applicant, as of the effective date of this Order.
4. Applicant admits the following:
 - a. On or about October 22, 2025 and May 2, 2025, Applicant applied for licensure and a registration in the State of Colorado, and her license and registration requests are currently pending.

b. On her LPC and ADDC Applications, Applicant answered “yes” to the questions which state: “Within the past five years, have you engaged in any conduct or exhibited any behaviors that resulted in Termination or suspension from school or employment? A violation of workplace or academic conduct rules?” and “Have you ever had any inquiry, investigation or administrative/judicial proceeding by An Employer? An Educational Institution? In connection with an employment disciplinary or termination procedure?”

c. On or about December 1, 2025, Applicant underwent a mental status examination with Peer Assistance Services, Inc. (“PAS”). The evaluator concluded that Applicant is only safe to practice with reasonable skill and safety, with treatment and monitoring.

d. Applicant failed to act within the limitations created by a physical illness, physical condition, or behavioral, mental health disorder that renders her unable to treat clients with reasonable skill and safety or that may endanger the health or safety of persons under her care.

5. By virtue of the facts admitted in paragraph 4 above, Applicant admits and the Boards finds that the above conduct is a violation of section 12-245-224(1)(f)(II), C.R.S., which states:

12-245-224. Prohibited activities--related provisions. (1) A person licensed, registered, or certified under this article 245 violates this article 245 if he or she:

(f)(II) Fails to act within the limitations created by a physical illness, physical condition, or behavioral, mental health, or substance use disorder that renders the person unable to treat clients with reasonable skill and safety or that may endanger the health or safety of persons under his or her care.

6. By virtue of the admissions contained in paragraphs 4 and 5 above, Applicant specifically agrees to accept a LPC license and an ADDC registration subject to the terms and conditions outlined below. Applicant further agrees that the Boards are authorized by sections 12-245-214 and 12-245-226(3)(a), C.R.S., to grant Applicant a LPC license and a ADDC registration. Applicant consents to the following limitations to her license and registration within the meaning of section 24-4-104(11), C.R.S. Applicant acknowledges that by accepting this license and registration in lieu of a formal hearing, Applicant waives all remedies outlined in sections 12-245-214 and 24-4-104(9), C.R.S.

PROBATION

7. Applicant's license to practice as a professional counselor and registration to practice as an addiction counselor candidate in the State of Colorado are hereby placed on probation for three (3) years, commencing from the effective date of this

Order or the date Applicant's practice monitor is approved, whichever date is later. During the probationary period, Applicant shall be bound by the terms and restrictions set forth in this Order.

8. The period of probation is tolled during any time that Applicant is not practicing in this state, and the period of probation shall resume at such time as Applicant resumes practicing in the State of Colorado in accordance with this Order.

9. Credit toward the period of probation will be given only for the period of time during which Applicant is practicing as a professional counselor and an addiction counselor candidate in Colorado, is being monitored by a practice monitor, and is in full compliance with all terms of this Order.

10. If, after two (2) years of probation, Applicant has adhered to all terms and conditions of this Order, and in the event that Applicant's practice monitor agrees, Applicant may request termination of probation and the practice monitor requirement. Request for termination of probation and the practice monitor must be made in writing to the Boards, and Applicant is responsible for establishing, to the satisfaction of the Boards, that she has satisfied the terms and conditions of practice monitoring. It is at the Boards' discretion whether or not to approve Applicant's request to terminate probation and the practice monitor requirement.

PRACTICE MONITOR

11. During the term of probation, Applicant's practice shall be monitored by a practice monitor that is separate from her supervision as a professional counselor candidate and addiction counselor candidate. Within 30 days of the effective date of this Order, Applicant shall submit, in writing, three (3) proposed practice monitors for the Boards' approval. Applicant shall include a program-approved practice monitor application from each potential monitor, with attached curriculum vita or resume. The practice monitor shall meet the following criteria:

a. The practice monitor shall be a licensed, certified, or listed, currently practicing mental health provider in the State of Colorado and has not provided any past, current, or future supervision to Applicant while practicing as a professional counselor candidate and addiction counselor candidate;

b. It is recommended that the practice monitor have a minimum of five (5) years of experience and has not been subject to professional discipline; and

c. The practice monitor shall have no current or past financial or personal interest in Applicant or Applicant's practice. Former employees and business associates fall under this provision.

12. Applicant must have a practice monitor approved by the Boards within two (2) months of the effective date of this Order. If this requirement is not satisfied, Applicant must cease practice and agrees to suspension of practice until a practice

monitor is approved unless an extension is granted by the Boards.

13. After the Boards' written approval of the practice monitor, Applicant and the practice monitor shall enter into a written contract for monitoring within 30 days. If this requirement is not satisfied, Applicant must cease practice and agrees to suspension of practice until the written contract for practice monitoring is executed unless an extension is granted by the Boards. The practice monitor shall provide a copy of the written contract to the Boards as a part of his or her first report to the Boards. The contract must contain a provision stating that the practice monitor has received a copy of this Order, the complaint and responsive documents, any investigative report, and the practice evaluation; has read these documents; and understands the duties and responsibilities he or she is undertaking as Applicant's practice monitor. The practice monitor shall ensure that a written notification is provided to each of Applicant's clients, informing the clients of the name, address, and telephone number of the practice monitor. This written notification may be provided in a mandatory disclosure statement.

14. The practice monitor shall conduct a practice evaluation during the first month of practice monitoring. The practice evaluation shall examine all aspects of Applicant's practice or proposed practice, qualifications and ability to practice in accordance with generally accepted standards of practice and with skill and safety for clients and determine whether Applicant has the necessary qualifications, current ability, and competence to practice. The first practice monitoring report shall include the findings of the practice evaluation.

15. Should the Boards determine from the practice monitor's evaluation that Applicant cannot practice any part of practice with skill and safety for clients in accordance with generally accepted standards of practice or does not have the appropriate qualifications, ability, or competence for practice, Applicant shall immediately cease any part of the practice that the Boards determine, based on the evaluation, Applicant is not qualified, competent, or safe to conduct. Based on the Boards' findings and the evaluation, the Boards will determine necessary actions that Applicant must take and conditions Applicant must meet so that Applicant can practice with skill and safety for clients in accordance with generally accepted standards of practice in any areas the Boards find Applicant is not qualified, competent, and safe to practice. Once Applicant satisfies the Boards that Applicant is qualified, competent, and safe to fully practice, Applicant may resume full practice.

16. The practice monitoring shall consist of individual, in-person (face-to-face) sessions that occur for one (1) hour, or such longer time as the practice monitor deems necessary, for every twenty (20) hours of client contact, but at least once each month. Applicant and practice monitor must review and discuss each of Applicant's active cases at least once every month in order to allow the practice monitor to be able to determine whether Applicant is practicing as a professional counselor and an addiction counselor candidate in accordance with generally accepted standards of practice and with skill and safety for Applicant's clients.

17. The practice monitor shall submit a written report to the Boards on the fifth day of the month following the first full month of practice monitoring. All subsequent reports shall be submitted on the fifth day of each month for the first twelve (12) reports. After the submission of the first twelve (12) reports, unless otherwise ordered by the Boards, the practice monitor shall submit his/her reports by the fifth day of every third month (i.e. on a quarterly basis) until the practice monitoring is completed.

18. If at any time the Boards have questions or concerns regarding the monitoring, the practice monitor agrees to attend any Board meeting necessary to address the Boards' concerns. The Boards will give the practice monitor 30 days' notice prior to requiring the practice monitor's attendance at a Board meeting.

19. If at any time the practice monitor believes Applicant is not in compliance with this Order, is unable to practice with skill and safety to Applicant's clients or has committed a violation of the practice act or rules and regulations, the practice monitor shall immediately notify the Boards, in writing, and include the basis for this conclusion. A copy will be sent to Applicant. Upon submission of such a report, Applicant shall immediately cease the practice of professional counseling and addiction counseling as a candidate.

20. Applicant shall make every effort to ensure that all reports by the practice monitor are complete and timely submitted to the Boards. If, in the Boards' judgment, the practice monitor fails to perform the function specified by this Order, the Boards may require that a new practice monitor assume the responsibilities herein. If for any reason the practice monitor ceases to perform the functions specified in this Order, Applicant shall submit, in writing, a new proposed practice monitor to the Boards within 30 days.

21. Applicant or the practice monitor may terminate the monitoring relationship upon written notice to the other and to the Boards not less than 60 days before the date of termination. The notice shall state the reason for the termination. Applicant shall immediately initiate efforts to obtain another Board-approved practice monitor, who shall conduct his/her monitoring and report to the Boards in accordance with this Order.

TERMS AND CONDITIONS

22. Applicant will strictly observe the prohibitions set forth in section 12-245-224, C.R.S., and will ensure not to engage in any activities that are prohibited and that all practice is in accordance with the generally accepted standards of practice.

23. Applicant shall not supervise or consult with other mental health providers for the purpose of those persons providing mental health services, unless such supervision or consultation is monitored in accordance with this Order.

24. All expenses incurred or associated with the practice evaluation, practice

monitoring, or any other requirement necessary to fulfill the terms of this Order, shall be the sole responsibility of Applicant and not the Boards.

25. In the event Applicant relocates at any time during the probationary period, Applicant shall notify the Boards of the change of address within 30 days of the effective date of such change.

26. Applicant is fully aware of and understands the right to receive a formal notice of hearing and charges and to have a formal disciplinary hearing, pursuant to sections 12-20-403 and 12-245-226, C.R.S., and hereby waives those rights. Further, Applicant also acknowledges that this waiver constitutes a waiver of all rights to appeal in this matter.

27. This Order is entered into by Applicant voluntarily and without coercion, after an opportunity to consult with counsel and with full understanding of the legal consequences of this Order and the right to formal hearing on all matters herein.

28. This Order shall become an order of the Boards when it is accepted and signed by the Program Director or authorized Board representatives.

29. The Order entered pursuant to this Stipulation and Final Agency Order shall constitute a Board order for purposes of section 12-245-224, C.R.S., and shall have the same force and effect as an order entered after a formal disciplinary hearing pursuant to section 12-245-226, C.R.S.

30. Applicant acknowledges and agrees that any violation of this Order shall constitute a violation of a lawful Board Order and be grounds for further proceedings pursuant to the Mental Health Practice Act and, if proven, may constitute a basis for further disciplinary action. The pendency of any disciplinary action shall not affect the obligation of Applicant to comply with the terms of this Order, and this Order shall remain operative and in full force and effect.

31. This Order constitutes the entire agreement between Applicant and the Boards. There are no other promises expressed or implied. In the event that any provision of this Order is deemed unenforceable by a court of competent jurisdiction, such provision shall be severed, and the remainder of this Order shall be given full force and effect.

32. This Order shall become effective upon (a) mailing by first-class mail to Applicant at Applicant's address of record with the Boards, or (b) service by electronic means on Applicant at Applicant's electronic address of record with the Boards. Applicant hereby consents to service by electronic means if Applicant has an electronic address on file with the Boards.

33. This Order shall be admissible as evidence at any hearing held before the Boards.

34. This Order shall be a public record in the custody of the Boards.
