Letter of Admonition

Dear Ms. Harper,

On January 4, 2019, the State Board of Licensed Professional Counselor Examiners (Board) reviewed the available material concerning the above referenced case. After thorough review, the Board found probable cause to believe you violated sections 12-43-222(1)(p) and 12-43-214, C.R.S., and issues this Letter of Admonition in accordance with section 12-43-224(3)(d), C.R.S.

The Board admonishes you for having an inadequate mandatory disclosure statement that failed to meet the statutory requirements of section 12-43-214, C.R.S., and because you did not have a mandatory disclosure statement signed by the youth client, G.R.

By this letter, the Board takes the formal disciplinary action of admonishing you for the conduct specified above, and warns you that repetition of such practice may lead to imposition of more severe disciplinary action. This letter is an open public record and a reportable action to individuals or entities requesting disciplinary information. The Board strongly encourages you to review and understand the Mental Health Practice Act requirements and obligations for the practice of addiction counseling in Colorado.

In accordance with section 12-43-224(3)(d), C.R.S., the Board advises you that you have the right to make a written request that the Board initiate formal disciplinary proceedings in order to adjudicate the conduct or acts upon which this letter is based. You must make your written request within twenty (20) days after receipt of this letter and address your request to Darcie Magnuson, Program Director, at the address listed below. If you make a timely request, the Board will deem this letter of admonition vacated and may proceed with disciplinary and/or injunctive proceedings in accordance with section 12-43-224(3)(d), C.R.S., and applicable rules.
