ORDER OF SUMMARY SUSPENSION

TO: JOCELYN MARIE HILLING

The State Board of Licensed Professional Counselor Examiners ("the Board"), having reviewed all available information as to the matters referenced below, HEREBY FINDS AS FOLLOWS:

1. Jocelyn Hilling ("Respondent") has been licensed as a Licensed Professional Counselor in the State of Colorado since March 28, 2014. Respondent's license number is LPC 11880.
2. The Board has jurisdiction over the Respondent and the subject matter herein.
3. On September 2, 2015, the Board received a complaint ("Case No. 2015-3648") expressing concern regarding Respondent's ability to safely treat patients.
4. On or about September 4, 2015, the Board received a complaint ("Case No. 2015-3621") expressing concern regarding Respondent's ability to safely treat patients.
5. On or about September 21, 2015, the Board received a complaint ("Case No. 2015-3886") expressing concern regarding Respondent's ability to safely treat patients.
6. During the course of the Board's investigation of Case Nos. 2015-3648, 2015-3621, and 2015-3886, the Board discovered Respondent has a physical and/or mental condition that affects her ability to practice psychotherapy and/or treat clients with reasonable skill and safety.
7. Upon full investigation of the documents and information presented in regard to Case Nos. 2015-3648, 2015-3621, and 2015-3886, the Board finds the following violations:
 - a. Respondent failed to notify the Board of a physical or mental illness or condition that affects Respondent's ability to treat clients with reasonable skill and safety in violation of § 12-43-222(1)(f)(I), C.R.S.;

- b. Respondent failed to act within limitations created by a physical or mental illness or condition that renders the person unable to treat clients with reasonable skill and safety in violation of § 12-43-222(1)(f)(II), C.R.S.;
- c. Respondent acted or failed to act in a manner that does not meet the generally accepted standards of the practice of psychology in violation of § 12-43-222(1)(g), C.R.S.; and,
- d. Respondent resorted to fraud, misrepresentation, or deception in applying for or in securing licensure or taking any examination provided for in this article in violation of § 12-43-222(1)(s), C.R.S..

8. Upon full investigation of the documents and information presented, the Board finds objective and reasonable grounds to believe and finds that Respondent is not safe to practice as a Licensed Professional Counselor with reasonable skill and safety to patients and the public health, safety, and welfare imperatively requires emergency action. As a result, Respondent's license to practice psychotherapy in the State of Colorado must be summarily suspended.

9. Respondent cannot engage in the practice of psychotherapy in the State of Colorado or hold herself out as able to practice psychotherapy in the State of Colorado while her license is suspended.

10. Any violation of this Order constitutes a violation of a lawful Board Order and may be grounds for further proceedings pursuant to § 12-43-224, C.R.S. The pendency of any disciplinary action shall not affect the obligation of Respondent to comply with this Order.

11. This Order does not resolve any other cases, complaints, or matters, known or unknown to the Board or Respondent, as of the effective date of this Order.

12. This Order shall be a public record in the custody of the Board.

THEREFORE, pursuant to the above, IT IS HEREBY ORDERED that under §§ 24-4-104(4) and 24-4-105(12), C.R.S., the license of Jocelyn Marie Hilling to practice psychotherapy in the State of Colorado is summarily suspended.

DATED and SIGNED this 6th day of April, 2016.
