Case Number: 2023-1668

Dear Jill Edith Hughes:

The State Board of Unlicensed Psychotherapists ("Board") has concluded their inquiry into the aforementioned matter. It was the Board's decision not to commence with formal proceedings against your registration. However, the Board did determine disciplinary action in the form of this letter of admonition is warranted, pursuant to section 12-245-225(1)(a), C.R.S.

The Boards admonishes you for failing to comply with any of the requirements pertaining to mandatory disclosure of information to clients pursuant to section 12-245-216, C.R.S.

By this letter, the Boards take the formal disciplinary action of admonishing you for the conduct specified above and warns you that repetition of such practice may lead to imposition of more severe disciplinary action. This letter is an open public record and a reportable action to individuals or entities requesting disciplinary information. The Boards strongly encourages you to review and understand the Mental Health Practice Act requirements and obligations for the practice of addiction counselors and unlicensed psychotherapists in Colorado.

In accordance with section 12-20-404(4)(b), C.R.S., the Boards advise you that you have the right to make a written request that the Boards initiate formal disciplinary proceedings in order to adjudicate the conduct or acts upon which this letter is based. You must make your written request within twenty days after receipt of this letter and address your request to Reina Sbarbaro-Gordon, Program Director, at the address listed below. If you make a timely request, the Boards will deem this letter of admonition vacated and may proceed with disciplinary proceedings in accordance with section 12-20-404(4)(b)(II), C.R.S., and applicable rules.

A Letter of Admonition, when accepted, becomes a permanent, public portion of your record. It is not, however, a restriction on your practice as an addiction counselor and unlicensed psychotherapist.
