Re: License Number: LPC.0013433
Case Number: 2019-5628

Dear Ms. Kiser,

The State Board of Professional Counselor Examiners (the "Board") has concluded its inquiry into the aforementioned matter. It was the Board's decision not to commence with formal proceedings against your professional license. However, the Board did determine disciplinary action in the form of this letter of admonition is warranted, pursuant to section 12-245-225(1)(a), C.R.S.

The Board admonished you for failing to comply with mandatory requirements pursuant to C.R.S. 12-245-216 & 12-245-224(1)(p), C.R.S.

By this letter, the Board takes the formal disciplinary action of admonishing you for the conduct specified above, and warns you that repetition of such practice may lead to imposition of more severe disciplinary action. This letter is an open public record and a reportable action to individuals or entities requesting disciplinary information. The Board strongly encourages you to review and understand the Mental Health Practice Act requirements and obligations for the practice of professional counselor in Colorado.

A Letter of Admonition becomes a permanent, public portion of your record. It is not, however, a restriction on your practice as a professional counselor.

By agreement of the parties, you have waived your right to a hearing in the matter.
