Within 30 days of the effective date of this Order, Respondent shall nominate, in writing, three proposed practice monitors for the Board's approval. Respondent shall include a program-approved practice monitor application from each potential monitor, with attached vita/resume. The practice monitor shall meet the following criteria:

13. After the Board's written approval of the practice monitor, Respondent and the practice monitor shall enter into a written contract for monitoring. The practice monitor shall provide a copy of the written contract to the Board as a part of his/her first report to the Board. The contract must contain a provision stating that the practice monitor has received a copy of this Order, the complaint and responsive documents, any investigative report, and any prior practice evaluation; has read these documents; and understands the duties and responsibilities s/he is undertaking as Respondent's practice monitor. The practice monitor shall ensure that a written notification is provided to each of Respondent's clients, informing the clients of the name, address, and telephone number of the practice monitor. The first practice monitoring report shall include the findings of the practice evaluation.

15. the fifth day of every third month (i.e. on a quarterly basis) until the practice monitoring is completed.

18. If at any time the Board has questions or concerns regarding the monitoring, the practice monitor agrees to attend any Board meeting necessary to address the Board's concerns. The Board will give the practice monitor thirty (30) days notice prior to requiring the practice monitor's attendance at the Board meeting.

19. If at any time the practice monitor believes Respondent is not in compliance with this Order, is unable to practice with skill and safety to her clients, or has committed a violation of the practice act or rules and regulations, the practice monitor shall immediately notify the Board, in writing, and include the basis for this conclusion. A copy will be sent to Respondent. Upon submission of such a report, Respondent shall immediately cease the practice of licensed professional counseling.

20. Respondent shall make every effort to ensure that all reports by the practice monitor are complete and timely submitted to the Board. If, in the Board's judgment, the practice monitor fails to perform the function specified by this Order, the Board may require that a new practice monitor assume the responsibilities herein. If for any reason the practice monitor ceases to perform the functions specified in this Order, Respondent shall submit, in writing, a new proposed practice monitor to the Board within thirty (30) days.

21. Respondent or the practice monitor may terminate the monitoring relationship upon written notice to the other and to the Board not less than sixty (60) days before the date of termination. The notice shall state the reason for the termination. Respondent shall immediately initiate efforts to obtain another Board-approved practice monitor, who shall conduct his/her monitoring and report to the Board in accordance with this Order.

24. Respondent shall not supervise or consult with other mental health providers for the purpose of those persons providing professional counseling, unless such supervision or consultation is monitored in accordance with this Order.

25. All expenses incurred or associated with the practice evaluation, therapy evaluation, therapy, practice monitoring, education, or any other requirement necessary to fulfill the terms of this Order, shall be the sole responsibility of Respondent and not the Board.

26. During the pendency of this Order, Respondent agrees that she will provide permission to and allow her practice monitor to provide records and information obtained in the normal course of practice monitoring to the Board if the practice monitor determines that Respondent is not practicing professional counseling in accordance with generally accepted standards of practice or has a condition that renders her unable to treat clients with skill and safety or that may endanger the health or safety of persons under her care. As part of this Order, Respondent explicitly waives her right to maintain confidentiality of records or information provided to the practice monitor in the normal course of practice monitoring if the practice monitor determines that she is not practicing professional licensing in accordance with generally accepted standards of practice or has a condition that renders her unable to treat clients with skill and safety or that may endanger the health or safety of persons under her care.

27. In the event Respondent relocates at any time during the probationary period, Respondent shall notify the Board of the change of address within thirty (30) days of the effective date of such change.

28. Respondent is fully aware of and understands the right to receive a formal notice of hearing and charges and to have a formal disciplinary hearing, pursuant to § 12-43-224, C.R.S., and hereby waives those rights. Further, Respondent also acknowledges that this waiver constitutes a waiver of all rights to appeal in this matter.

29. This Order is entered into by Respondent voluntarily and without coercion, after an opportunity to consult with counsel and with full understanding of the legal consequences of this Order and the right to formal hearing on all matters herein.

30. The Order entered pursuant to this Stipulation and Final Agency Order shall constitute a Board Order for purposes of §12-43-222, C.R.S., and shall have the same force and effect as an Order entered after a formal disciplinary hearing pursuant to §12-43-224, C.R.S.

31. Respondent acknowledges and agrees that any violation of this Order shall constitute a violation of a lawful Board Order and may be grounds for further proceedings pursuant to the Mental Health Practice Act and, if proven, may constitute a basis for further disciplinary action. The pendency of any disciplinary action shall not affect the obligation of Respondent to comply with the terms of this Order, and this Order shall remain operative and in full force and effect.

32. This Order constitutes the entire agreement between Respondent and the Board. There are no other promises expressed or implied. In the event that any provision of this Order is deemed unenforceable by a court of competent jurisdiction, such provision shall be severed, and the remainder of this Order shall be given full force and effect.

33. This Order shall become effective when accepted and signed on behalf of the Board.

34. This Order shall be a public record in the custody of the Board.
