7. The Board has jurisdiction over the person of Respondent and the subject matter herein pursuant to the Mental Health Practice Act, § 12-245-101, *et seq.*, C.R.S. ("MHPA").

9. On November 22, 2023, the Board and the State Board of Addiction Counselor Examiners (“Boards”) received a complaint alleging an ambulance was called to Respondent’s home for a suspected overdose and that Respondent admitted to using fentanyl.

10. On February 14, 2024, the State Board of Addiction Counselor Examiners ordered Respondent to complete a Mental Status Evaluation (“MSE”) with Peer Assistance Services (“PAS”).

11. On December 5, 2024, the State Board of Addiction Counselor Examiners suspended Respondent’s LAC license for failure to undergo the MSE.

12. Respondent completed an MSE on February 18, 2025.

16. Following the positive test, PAS issued Respondent a Cease Practice Agreement, which Respondent did not sign.

26. Respondent's licenses were placed on probation for a minimum period of two (2) years commencing on August 7, 2025.

27. As a term of the Stipulation and Respondent's probationary status, Respondent was to enter into and successfully complete a contract with PAS for a period of two (2) years, or until successful completion of the probationary terms and conditions ordered within the Stipulation.

40. By failing to enter into a contract with PAS within fourteen days of the date set forth in the Stipulation, Respondent has failed to comply with the terms of an order of the Board, in violation of section 12-245-224(1)(b), C.R.S.

41. Respondent's violation of section 12-245-224(1)(b), C.R.S., is grounds for disciplinary action, including revocation, against Respondent's license to practice as a licensed professional counselor pursuant to sections 12-245-225 and 12-20-404, C.R.S.

Initial Decision

When the Board has determined that a Respondent has committed an act or engaged in conduct that constitutes grounds for discipline or unprofessional conduct, it may deny, revoke, or suspend the individual's license to practice as a licensed professional counselor. § 12-20-404(1)(d)(1), C.R.S.

Respondent failed to answer the Notice of Charges in this proceeding within the applicable time period. There is no information before the Administrative Law Judge indicating that some sanction other than revocation of Respondent's license to practice as a licensed professional counselor is appropriate in this case. It is therefore the Initial Decision of the Administrative Law Judge that Respondent's license to practice as a licensed professional counselor is hereby revoked.
