**RE: Board Initiated Complaint
Board Case #2009-001168
Letter of Admonition**

Dear Ms. Lake:

The Colorado State Board of Licensed Professional Counselor Examiners (Board) reviewed the available material concerning your application for reinstatement of your psychologist license, in which you admitted to practicing with a lapsed license. After thorough review and discussion, the Board found probable cause to believe you violated CRS 12-43-222(1)(g), CRS 12-43-216 and CRS 12-43-226, and issued this Letter of Admonition in accordance with CRS 12-43-224(3)(d). Specifically, the Board determined:

- It is your professional responsibility to maintain a current and active license if you are engaged in the practice of psychology/psychotherapy.

By this letter, the Board takes the formal disciplinary action of admonishing you for the conduct specified above, and warns you that repetition of such practice may lead to imposition of more severe disciplinary action. This letter is an open public record and a reportable action to individuals or entities requesting disciplinary information. The Board strongly encourages you to review and understand the Mental Health Practice Act requirements and obligations for the practice of psychology/psychotherapy in Colorado.

In accordance with CRS 12-43-224(3)(d), the Board advises you that you have the right to make a written request that the Board initiate formal disciplinary proceedings in order to adjudicate the conduct or acts upon which this letter is based. You must make your written request within twenty (20) days after receipt of this letter and address your request to Carlotta D. Knox, Program Director, at the above letterhead address. If you make a timely request, the Board will deem this letter of admonition vacated and may proceed with disciplinary and/or injunctive proceedings in accordance with CRS 12-43-224(3)(d), and applicable rules.

If this letter is not vacated, it will become the final agency action in this matter.

Sincerely,

Carlotta D. Knox
Program Director
