STATE OF OKLAHOMA

STATE OF OKLAHOMA, ex re.,
STATE BOARD OF BEHAVIORAL
HEALTH LICENSURE
Petitioner,

vs.

Complaint No. 2026-LPC-845

DANE BEAM,
LPC, LICENSE NO. 11089
Respondent.

**ORDER OF REVOCATION OF
PROFESSIONAL COUNSELOR LICENSE**

This matter came on for hearing before the State Board of Behavioral Health Licensure (“the Board”) on August 7, 2026, at the Oklahoma Office of Attorney General, 313 N.E. 21st Street, Susan Loving – CR 1008, Oklahoma City, Oklahoma, pursuant to notice given as required by law and rules of the Board.

Liz Stevens, Assistant Attorney General, appeared on behalf of Petitioner. Respondent failed to appear. Ms. Stevens for Petitioner and Respondent are hereinafter referred to as the Parties.

The following exhibit was admitted into evidence.

Petitioner’s Exhibit 1: Letter from Respondent to Agent Mata. Admitted without objection

The following witness was sworn in and testified: Agent Jamie Mata.

Petitioner’s counsel waived her opening statement but presented her case and then gave a closing statement. Following closing arguments the Board, having considered argument of counsel, testimony of the witness, exhibit admitted into evidence, and being fully apprised of the premises, makes the following findings of fact, conclusions of law and orders:

FINDINGS OF FACT

1. Petitioner is a state agency with jurisdictional authority to regulate Licensed Professional Counselors, pursuant to 59 O.S. §§ 1901, *et seq.*
2. Respondent is a Licensed Professional Counselor in the State of Oklahoma, holding License Number 11089, and was licensed on or about December 5, 2025.

3. On or about February 19, 2026, the Board received two (2) Requests for Inquiry (“RFI”) alleging Respondent engaged in a sexual dual relationship with a client. The Board assigned the RFIs to Attorney General Agent Jamie J. Mata for investigation.
4. Agent Mata sent the allegations to Respondent and requested a response within 10 days. The response (State’s Exhibit 1) to Agent Mata from Respondent read, in pertinent part,

“I would like to begin this letter by affirming that the allegations made by the client in question are unfortunately true. ... As far as I can recall the relationship began on January 7th, 2026 and the last contact made was on February 4th, 2026. Unfortunately everything the client recalled happening during that time span is true. January 28th was the last physical contact I had with the client. On February 4th I messaged this client and informed them that I no longer desired to pursue a relationship, therapeutic or otherwise and recommended that she transfer to another clinician. I understand that the client reported this relationship as consensual, which is true, but I am aware that my own actions contributed to the crossing of ethical boundaries.”

5. The Respondent’s conduct violated the Oklahoma Licensed Professional Counselors Act, and the applicable Oklahoma Administrative Rules.

CONCLUSIONS OF LAW

1. The Board has jurisdiction over this matter and Respondent pursuant to 59 O.S. § 1905(B)(4) of the Licensed Professional Counselors Act.
2. The Board may deny, revoke, suspend, or place on probation any license or specialty designation issued pursuant to the provisions of the Licensed Professional Counselors Act to a licensed professional counselor, if the person has engaged in unprofessional conduct as defined by the rules established by the Board, 59 O.S. § 1912(A)(4).
3. Any person determined by the Board to have violated any provision of the LPC Act or any Rule related to licensed professional counseling, may be subject to an administrative penalty, not to exceed \$10,000 for any related series of violations, pursuant to 59 O.S. § 1913.1 and OAC 86:10-29-14.
4. The Board found that the Petitioner has proven by clear and convincing evidence that the Respondent is guilty of each of the violations described in the Complaint, as follows:
 - a. Respondent’s admission of having a dual relationship with a client shows that Respondent violated OAC 86:10-3-3(c), which provides that LPCs shall not knowingly engage in a dual relationship and must take necessary precautions to prevent a dual relationship from occurring.
 - b. Respondent’s admission to having sexual relations with a client shows Respondent violated OAC 86:10-3-3(d) which provides sexual conduct with current clients is prohibited. Additionally, Respondent’s admission to having sexual relations with a client shows Respondent violated OAC 86:10-3-4(c)(1), which provides sexual

conduct with current and former clients is prohibited.
