Re: License Number: LPC.0012715
Case Number: 2021-6174

Dear Ms. Stephenson,

The State Board of Professional Counselor Examiners (the "Board") has concluded its inquiry into the aforementioned matter. It was the Board's decision not to commence with formal proceedings against your professional license. However, the Board did determine disciplinary action in the form of this letter of admonition is warranted, pursuant to section 12-245-225(1)(a), C.R.S.

The Board admonishes you for improper mandatory disclosure statement requirements by not providing in writing, during the initial client contact, an explanation of the levels of regulation applicable to mental health professionals under article 245 and the differences between licensure, registration, and certification, including the educational, experience, and training requirements applicable to the particular level of regulation pursuant to §12-245-224(1) (p) and 12-245-216(1) (b)(1);, C.R.S., respectively.

By this letter, the Board takes the formal disciplinary action of admonishing you for the conduct specified above and warns you that repetition of such practice may lead to imposition of more severe disciplinary action. This letter is an open public record and a reportable action to individuals or entities requesting disciplinary information. The Board strongly encourages you to review and understand the Mental Health Practice Act requirements and obligations for the practice of professional counselor in Colorado.

In accordance with section 12-20-404(4)(b), C.R.S., the Board advises you that you have the right to make a written request that the Board initiate formal disciplinary proceedings in order to adjudicate the conduct or acts upon which this letter is based. You must make your written request within twenty days after receipt of this letter and address your request to Reina Sbarbaro-Gordon, Program Director, at the address listed below. If you make a timely request, the Board will deem this letter of admonition vacated and may proceed with disciplinary proceedings in accordance with section 12-20-404(4)(b)(II), C.R.S., and applicable rules.

A Letter of Admonition, when accepted, becomes a permanent, public portion of your record. It is not, however, a restriction on your practice as a Licensed Professional Counselor.
