IN THE MATTER OF DISCIPLINARY PROCEEDINGS REGARDING THE LICENSE TO PRACTICE
AS A LICENSED PROFESSIONAL COUNSELOR IN THE STATE OF COLORADO OF

Respondent.

IT IS HEREBY STIPULATED by and between the State Board of Professional

1. The Board has jurisdiction over the person of Respondent and the
subject matter of this Stipulation and Final Agency Order ("Order").

2. Respondent was licensed to practice as a Licensed Professional
Counselor ("LPC") in the State of Colorado on June 29, 2016, having been issued
license number LPC 13128, and is currently so licensed.

3. This Order is a full and final resolution of case number 2022-8924. This
Order does not resolve any other cases, complaints, or matters, known or unknown to
the Board or Respondent, as of the effective date of this Order.

4. Respondent admits the following:

a. Respondent married and subsequently had sexual contact with a
previous client whom she had terminated the therapeutic relationship
within two years following termination of the therapeutic relationship.

5. By virtue of the facts admitted in paragraph 4 above, Respondent admits
and the Board finds that Respondent violated section 12-245-224(1)(r) C.R.S., which
states:

12-245-224. Prohibited activities--related provisions. (1) A person
licensed, registered, or certified under this article 245 violates this article
245 if he or she:

(r) Has engaged in sexual contact, sexual intrusion, or sexual penetration, as defined in section 18-3-401, with a client during the period of time in which a therapeutic relationship exists or for up to two years after the period in which a therapeutic relationship exists;

6. By virtue of the admissions in paragraphs 4 and 5 above, Respondent is subject to the following disciplinary sanction(s) that the Board believes is necessary to protect the public health, safety, and welfare.

PROBATION

7. Respondent's license to practice as an LPC in the State of Colorado is hereby placed on probation for five (5) years, commencing from the effective date of this Order or the date Respondent's practice monitor is approved, whichever date is later. During the probationary period, Respondent shall be bound by the terms and restrictions set forth in this Order.

8. The period of probation is tolled during any time that Respondent is not providing services as a licensed professional counselor to clients or as a supervisor, either in person or through telehealth, in Colorado. Respondent's probationary period shall resume at such time as Respondent resumes practicing in the State of Colorado, whether in person or through telehealth, in accordance with this Order.

9. Credit toward the period of probation will be given only for the period of time during which Respondent is practicing as an LPC, providing services in Colorado, performing supervisory services in Colorado, is being monitored by her practice monitor, and is in full compliance with all terms of this Order.

10. If, at the end of the probationary period, Respondent has adhered to all terms and conditions of this Order, Respondent may request termination of probation. Request for termination of probation must be made in writing to the Board, and Respondent is responsible for establishing, to the satisfaction of the Board, that she has satisfied all terms and conditions of probation.

PRACTICE MONITOR

11. During the period of probation, Respondent's practice shall be monitored by a practice monitor. Within 30 days of the effective date of this Order, Respondent shall submit, in writing, three (3) proposed practice monitors for the Board's approval. Respondent shall include a program-approved practice monitor

application from each potential monitor, with attached curriculum vita or resume. The practice monitor shall meet the following criteria:

- a. The practice monitor shall be a licensed, certified, or listed, currently practicing mental health provider in the State of Colorado;
- b. It is recommended that the practice monitor have a minimum of five (5) years of experience and has not been subject to professional discipline in any jurisdiction; and
- c. The practice monitor shall have no current or past financial or personal interest in Respondent or Respondent's practice. Former employees and business associates fall under this provision.

12. Respondent must have a practice monitor approved by the Board within two (2) months of the effective date of this Order. If this requirement is not satisfied, Respondent must cease practice and agrees to suspension of her practice until a practice monitor is approved unless an extension is granted by the Board.

13. After the Board's written approval of the practice monitor, Respondent and the practice monitor shall enter into a written contract for monitoring within 30 days. If this requirement is not satisfied, Respondent must cease practice and agrees to suspension of her practice until the written contract for practice monitoring is executed unless an extension is granted by the Board. The practice monitor shall provide a copy of the written contract to the Board as a part of his/her first report to the Board. The contract must contain a provision stating that the practice monitor has received a copy of this Order, the complaint and responsive documents, any investigative report, and the practice evaluation; has read these documents; and understands the duties and responsibilities s/he is undertaking as Respondent's practice monitor. The practice monitor shall ensure that a written notification is provided to each of Respondent's clients, informing the clients of the name, address, and telephone number of the practice monitor. This written notification may be provided in a mandatory disclosure statement.

14. The practice monitor shall conduct a practice evaluation during the first month of practice monitoring. The practice evaluation shall examine all aspects of Respondent's practice or proposed practice and her qualifications and ability to practice in accordance with generally accepted standards of practice and with skill and safety for clients, and determine whether she has the necessary qualifications, current ability, and competence to practice. The first practice monitoring report shall include the findings of the practice evaluation.

15. Should the Board determine from the practice monitor's evaluation that Respondent cannot practice any part of her practice with skill and safety for clients in

accordance with generally accepted standards of practice or does not have the appropriate qualifications, ability, or competence for practice, Respondent shall immediately cease any part of the practice that the Board determines, based on the evaluation, she is not qualified, competent, or safe to conduct. Based on the Board's findings and the evaluation, the Board will determine necessary actions that Respondent must take and conditions Respondent must meet so that Respondent can practice with skill and safety for clients in accordance with generally accepted standards of practice in any areas the Board finds Respondent is not qualified, competent, and safe to practice. Once Respondent satisfies the Board that she is qualified, competent, and safe to fully practice, Respondent may resume full practice.

16. The practice monitoring shall consist of either individual, in-person (face-to-face) or virtual/remote sessions that occur for one (1) hour, or such longer time as the practice monitor deems necessary, for every twenty (20) hours of client contact or supervisory services, but at least once each month. Respondent and her practice monitor must review and discuss each of Respondent's active cases at least once every month in order to allow the practice monitor to be able to determine whether Respondent is practicing as an LPC in accordance with generally accepted standards of practice and with skill and safety for her clients.

17. The practice monitor shall submit a written report to the Board on the fifth day of the month following the first full month of practice monitoring. All subsequent reports shall be submitted on the fifth day of each month for the first twelve (12) reports. After the submission of the first twelve (12) reports, unless otherwise ordered by the Board, the practice monitor shall submit his/her reports by the fifth day of every third month (i.e. on a quarterly basis) until the practice monitoring is completed.

18. If at any time the Board has questions or concerns regarding the monitoring, the practice monitor agrees to attend any Board meeting necessary to address the Board's concerns. The Board will give the practice monitor 30 days notice prior to requiring the practice monitor's attendance at the Board meeting.

19. If at any time the practice monitor believes Respondent is not in compliance with this Order, is unable to practice with skill and safety to her clients, or has committed a violation of the practice act or rules and regulations, the practice monitor shall immediately notify the Board, in writing, and include the basis for this conclusion. A copy will be sent to Respondent. Upon submission of such a report, Respondent shall immediately cease the practice as an LPC.

20. Respondent shall make every effort to ensure that all reports by the practice monitor are complete and timely submitted to the Board. If, in the Board's

judgment, the practice monitor fails to perform the function specified by this Order, the Board may require that a new practice monitor assume the responsibilities herein. If for any reason the practice monitor ceases to perform the functions specified in this Order, Respondent shall submit, in writing, a new proposed practice monitor to the Board within 30 days.

21. Respondent or the practice monitor may terminate the monitoring relationship upon written notice to the other and to the Board not less than 60 days before the date of termination. The notice shall state the reason for the termination. Respondent shall immediately initiate efforts to obtain another Board-approved practice monitor, who shall conduct his/her monitoring and report to the Board in accordance with this Order.

TERMS AND CONDITIONS

22. Respondent will strictly observe the prohibitions set forth in section 12-245-224, C.R.S., and will ensure that she does not engage in any activities that are prohibited and that she practices in accordance with the generally accepted standards of practice.

23. Respondent shall not supervise or consult with other mental health providers for the purpose of those persons providing mental health services, unless such supervision or consultation is monitored in accordance with this Order.

24. All expenses incurred or associated with practice monitoring, education, or any other requirement necessary to fulfill the terms of this Order, shall be the sole responsibility of Respondent and not the Board.

25. In the event Respondent relocates at any time at any time during the probationary period, Respondent shall notify the Board of the change of address within 30 days of the effective date of such change.

26. Respondent is fully aware of and understands the right to receive a formal notice of hearing and charges and to have a formal disciplinary hearing, pursuant to sections 12-20-403 and 12-245-226, C.R.S., and hereby waives those rights. Further, Respondent also acknowledges that this waiver constitutes a waiver of all rights to appeal in this matter.

27. This Order is entered into by Respondent voluntarily and without coercion, after an opportunity to consult with counsel and with full understanding of

the legal consequences of this Order and the right to formal hearing on all matters herein.

28. This Order shall become an order of the Board when it is accepted and signed by the Program Director or authorized Board representative.

29. The Order entered pursuant to this Stipulation and Final Agency Order shall constitute a Board order for purposes of section 12-245-224, C.R.S., and shall have the same force and effect as an order entered after a formal disciplinary hearing pursuant to sections 12-20-403 and 12-245-226, C.R.S.

30. Respondent acknowledges and agrees that any violation of this Order shall constitute a violation of a lawful Board Order and be grounds for further proceedings pursuant to the Mental Health Practice Act and, if proven, may constitute a basis for further disciplinary action. The pendency of any disciplinary action shall not affect the obligation of Respondent to comply with the terms of this Order, and this Order shall remain operative and in full force and effect.

31. This Order constitutes the entire agreement between Respondent and the Board. There are no other promises expressed or implied. In the event that any provision of this Order is deemed unenforceable by a court of competent jurisdiction, such provision shall be severed, and the remainder of this Order shall be given full force and effect.

32. This Order shall become effective upon (a) mailing by first-class mail to Respondent at Respondent's address of record with the Board, or (b) service by electronic means on Respondent at Respondent's electronic address of record with the Board. Respondent hereby consents to service by electronic means if Respondent has an electronic address on file with the Board.

33. This Order shall be admissible as evidence at any hearing held before the Board.
