PROBATION

7. Respondent's license to practice professional counseling shall be placed on probation for a minimum period of two (2) years, commencing from the effective date of this Order. Credit toward satisfying the period of probation shall be given only during such periods of time that Respondent is in total compliance with all provisions of this Order. Respondent shall keep all releases current and in effect.

d. Completion of Program. If Respondent satisfactorily completes the treatment program, verification to the Board by PAS of the completion of treatment shall be deemed sufficient, and the requirements set out herein shall be deemed satisfied, unless other information is reasonably required by the Board to verify Respondent's

completion of treatment. It is Respondent's responsibility to ensure that PAS submits verification to the Board of completion of treatment.

e. Withdrawal from Program. Respondent must immediately notify the Board in writing if Respondent withdraws from, is removed from, is terminated from, or otherwise fails to participate fully and satisfactorily in Respondent's treatment program.

TERMS AND CONDITIONS

10. Respondent will strictly observe the prohibitions set forth in section 12-245-224, C.R.S., and will ensure that she does not engage in any activities that are prohibited and that she practices in accordance with the generally accepted standards of practice.

11. Respondent shall not supervise or consult with other mental health providers for the purpose of those persons providing mental health services, unless such supervision or consultation is monitored in accordance with this Order.

12. All expenses incurred or associated with any other requirement necessary to fulfill the terms of this Order, shall be the sole responsibility of Respondent and not the Board.

13. In the event Respondent relocates at any time during the probationary period, Respondent shall notify the Board of the change of address within 30 days of the effective date of such change.

14. Respondent is fully aware of and understands the right to receive a formal notice of hearing and charges and to have a formal disciplinary hearing, pursuant to sections 12-20-403 and 12-245-226, C.R.S., and hereby waives those rights. Further, Respondent also acknowledges that this waiver constitutes a waiver of all rights to appeal in this matter.

15. This Order is entered into by Respondent voluntarily and without coercion, after an opportunity to consult with counsel and with full understanding of the legal consequences of this Order and the right to formal hearing on all matters herein.

16. This Order shall become an order of the Board when it is accepted and signed by the Program Director or authorized Board representative.

17. The Order entered pursuant to this Stipulation and Final Agency Order shall constitute a Board order for purposes of section 12-245-224, C.R.S., and shall have the same force and effect as an order entered after a formal disciplinary hearing pursuant to sections 12-20-403 and 12-245-226, C.R.S.

18. Respondent acknowledges and agrees that any violation of this Order shall constitute a violation of a lawful Board Order and be grounds for further proceedings pursuant to the Mental Health Practice Act and, if proven, may constitute a basis for further disciplinary action. The pendency of any disciplinary action shall not affect the obligation of Respondent to comply with the terms of this Order, and this Order shall remain operative and in full force and effect.

19. This Order constitutes the entire agreement between Respondent and the Board. There are no other promises expressed or implied. In the event that any provision of this Order is deemed unenforceable by a court of competent jurisdiction, such provision shall be severed, and the remainder of this Order shall be given full force and effect.
