STEPHEN E WALKER PHD LPC

RE: Complaint Filed by C.A.M.
SGB #98.013(C)
Letter of Admonition

Dear Dr. Walker:

At its meeting on June 12, 1998, the 11-member Colorado State Grievance Board (Board) reviewed a letter dated April 17, 1998 (with attachments) from Daniel R. Christopher, Esquire, letters dated May 4 and May 6, 1998 (with attachments), from C.A.M., and your letter dated June 9, 1998. In addition, Board members were provided with a copy of the above-captioned case file.

After due consideration, the Board determined a revision to the Letter of Admonition (LOA) is warranted. In this regard, the Board revised your LOA as follows:

In the opinion of the Board, there are reasonable grounds to believe you failed to meet the generally-accepted standards of practice and violated sections 12-43-214 and 12-43-704(1)(o), C.R.S. Specifically, the Board determined that:

You failed to have a signed mandatory disclosure statement.

The Board strongly encourages you to review your professional code of ethics and the mental health licensing statute.

By this letter, the Board takes the formal disciplinary action of admonishing you for the conduct specified above.

This is the final agency action in this matter.

Sincerely,

FOR THE COLORADO STATE GRIEVANCE BOARD

Daniel Robinson
Board Chair
