RE: LPC Application Referral
Case #2005-001282

Dear Ms. Waters:

At its meeting on November 19, 2004, the Colorado State Board of Licensed Professional Counselor Examiners (Board) reviewed the available information concerning your renewal application for licensed professional counselor, and your response to the Board's 20-day inquiry letter.

After thorough review and discussion, the Board found probable cause to believe you violated CRS 12-43-222(1) (g) & 12-43-204(4), and issued this Letter of Admonition in accordance with CRS 12-43-224(3)(d). Specifically, the Board determined:

- You practiced psychotherapy on a lapsed LPC license.

On the basis of the above findings, the Board hereby admonishes you for such practice and warns you that repetition of such practice may lead to imposition of more severe disciplinary action. The Board strongly encourages you to review and understand the Mental Health Practice Act requirements and obligations for the practice of psychotherapy in Colorado.

In accordance with CRS 12-43-224(3)(d), the Board advises you that you have the right to make a written request that the Board initiate formal disciplinary proceedings in order to adjudicate the conduct or acts upon which this letter is based. You must make your written request within twenty (20) days after receipt of this letter and address your request to Amos D. Martinez, Program Director, at the above letterhead address. If you make a timely request, the Board will deem this letter of admonition vacated and may proceed with disciplinary and/or injunctive proceedings in accordance with CRS 12-43-224(3)(d), and applicable rules.

If this letter is not vacated, it will become the final agency action in this matter. However, the Board APPROVED your application for reinstatement as a Licensed Professional Counselor. Accordingly, your application will be returned to the Office of Licensing, where it will move forward in the application process.

Sincerely,

Cindy Musil
Board Chair
