Re: License Number: LPC.13725
Case Number: 2025-5405

Dear Heather Dawn Westbarn,

The Colorado State Board of Licensed Professional Counselor Examiners (the “Board”) has concluded its inquiry into the aforementioned matter. It was the Board’s decision not to commence with formal proceedings against your professional license. However, the Board did determine disciplinary action in the form of this letter of admonition is warranted, pursuant to section 12-245-225(1)(a), C.R.S.

The Board admonishes you for failing to respond, in the manner required by the board, to a complaint filed with or by the board against the licensee pursuant to §12-245-224(1)(x), C.R.S., which states: Has failed to respond, in the manner required by the board, to a complaint filed with or by the board against the licensee, registrant, or certificate holder.

By this letter, the Board takes the formal disciplinary action of admonishing you for the conduct specified above and warns you that repetition of such practice may lead to imposition of more severe disciplinary action. This letter is an open public record and a reportable action to individuals or entities requesting disciplinary information. The Board strongly encourages you to review and understand the Mental Health Practice Act requirements and obligations for the practice of professional counselor in Colorado.

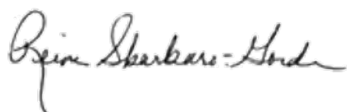

In accordance with section 12-20-404(4)(b), C.R.S., the Board advises you that you have the right to make a written request that the Board initiate formal disciplinary proceedings in order to adjudicate the conduct or acts upon which this letter is based. You must make your written request within twenty days after receipt of this letter and address your request to Reina Sbarbaro-Gordon, Program Director, at dora_mentalhealthboard@state.co.us. If you make a timely request, the Board will deem this letter of admonition vacated and may proceed with disciplinary proceedings in accordance with section 12-20-404(4)(b)(II), C.R.S., and applicable rules.

A Letter of Admonition, when accepted, becomes a permanent, public portion of your record. It is not, however, a restriction on your practice as a professional counselor.
