RE: Letter of Admonition
SGB #96.141(C)

Dear Mr. Wheeler:

At its meeting on April 12, 1996, the 11-member Colorado State Grievance Board (Board) reviewed the available information concerning the complaint filed against you by

After thorough review, the Board found that the techniques you employed for the solicitation of clients failed to meet the generally accepted standards of practice and warranted formal disciplinary action concerning your professional counselor license and psychotherapy practice in Colorado.

In the opinion of the Board, there are reasonable grounds to believe you failed to meet the generally-accepted standards of practice and violated section 12-43-704(1)(g), C.R.S. Specifically, the Board determined that:

Your letter to victims of domestic violence was misleading and your solicitation of clients was inappropriate.

The Board strongly encourages you to review your professional code of ethics and the mental health licensing statute.

By this letter, the Board takes the formal disciplinary action of admonishing you for the conduct specified above.

In accordance with section 12-43-705(3)(d), C.R.S., the Board advises you that you have the right to make a written request that the Board initiate formal disciplinary proceedings in order to adjudicate the conduct or acts upon which this letter is based. You must make your written request within twenty (20) days after receipt of this letter and address your request to Amos D. Martinez, Program Administrator, at the above letterhead address. If you make a timely request, the Board will deem this letter of admonition vacated and may proceed with disciplinary and/or injunctive proceedings in accordance with section 12-43-705(2), C.R.S., and applicable rules.
