Letter of Admonition

Dear Ms. Bellas,

On July 12, 2019, the State Board of Licensed Professional Counselors Examiners (Board) reviewed the available material concerning the above referenced cases. After thorough review, the Board found probable cause to believe you violated section 12-43-222(1)(b) & (g), C.R.S. and 12-43-218(1), C.R.S., and issues this Letter of Admonition in accordance with section 12-43-224(3)(d), C.R.S.

The Board admonishes you for disclosing confidential information on a voicemail with an emergency contact under non-emergent circumstances and for unintentionally sending an encrypted email intended only for internal discussion to an unrelated client after failing to adequately review the name that auto-populated into the email "send" box.

By this letter, the Board takes the formal disciplinary action of admonishing you for the conduct specified above, and warns you that repetition of such practice may lead to imposition of more severe disciplinary action. This letter is an open public record and a reportable action to individuals or entities requesting disciplinary information. The Board strongly encourages you to review and understand the Mental Health Practice Act requirements and obligations for the practice of counseling in Colorado.

"Pursuant to agreement with the Board, you are waiving the right provided by section 12-43-224(3)(d), C.R.S., to contest this Letter of Admonition. A Letter of Admonition, when accepted, becomes a permanent public record."
