1. The Board has jurisdiction over the person of Respondent and the subject matter of this Stipulation and Final Agency Order ("Order").
2. Respondent was licensed to practice as a professional counselor ("LPC") in the State of Colorado on November 7, 2011, having been issued license number LPC 6292, and is currently so licensed.
3. This Order is a full and final resolution of case number 2018-7686. This Order does not resolve any other cases, complaints, or matters, known or unknown to the Board or Respondent, as of the effective date of this Order.
4. Respondent admits the following:
  - a. Beginning on or around 2011, Respondent entered into multiple dual relationships with her clients, including allowing a client to live with her and providing therapy to members of her church.
5. By virtue of the facts admitted in paragraph 4 above, Respondent admits and the Board finds that Respondent violated section 12-43-222(1)(g)(I), (i) and (k), C.R.S., which state:

**12-43-222. Prohibited activities--related provisions.** (1) A person licensed, registered, or certified under this article 43 violates this article 43 if he or she:

(g)(l) Has acted or failed to act in a manner that does not meet the generally accepted standards of the professional discipline under which the person practices. Generally accepted standards may include, at the board's discretion, the standards of practice generally recognized by state and national associations of practitioners in the field of the person's professional discipline;

(i) Has maintained relationships with clients that are likely to impair such person's professional judgment or increase the risk of client exploitation, such as treating employees, supervisees, close colleagues, or relatives;

(k) Has failed to terminate a relationship with a client when it was reasonably clear that the client was not benefitting from the relationship and is not likely to gain such benefit in the future.

6. By virtue of the admissions in paragraphs 4 and 5 above, Respondent is subject to the following disciplinary sanction(s) that the Board believes is necessary to protect the public health, safety, and welfare.

#### **PROBATION**

7. Respondent's license to practice professional counseling in the State of Colorado is hereby placed on probation for three (3) years commencing from the effective date of this Order or the date Respondent's practice monitor is approved, whichever date is later. During the probationary period, Respondent shall be bound by the terms and restrictions set forth in this Order.

8. The period of probation is tolled during any time that Respondent is not practicing in this state, and such period of probation shall resume at such time as Respondent resumes practicing in the State of Colorado in accordance with this Order.

9. Credit toward the period of probation will be given only for the period of time during which Respondent is practicing as a LPC in Colorado, is being monitored by a practice monitor, and is in full compliance with all terms of this Order.

10. If, at the end of the probationary period, Respondent has adhered to all terms and conditions of this Order, Respondent may request termination of

probation. Request for termination of probation must be made in writing to the Board, and Respondent is responsible for establishing, to the satisfaction of the Board, that she has satisfied all terms and conditions of probation.

### **PRACTICE MONITOR**

11. During the term of probation, Respondent's practice shall be monitored by a practice monitor. Within 30 days of the effective date of this Order, Respondent shall submit, in writing, three (3) proposed practice monitors for the Board's approval. Respondent shall include a program-approved practice monitor application from each potential monitor, with attached curriculum vita or resume. The practice monitor shall meet the following criteria:

- a. The practice monitor shall be a licensed, certified, or listed, currently practicing mental health provider in the State of Colorado;
- b. It is recommended that the practice monitor have a minimum of five (5) years of experience and has not been subject to professional discipline; and
- c. The practice monitor shall have no current or past financial or personal interest in Respondent or Respondent's practice. Former employees and business associates fall under this provision.

12. Respondent must have a practice monitor approved by the Board within two (2) months of the effective date of this Order. If this requirement is not satisfied, Respondent must cease practice and agrees to suspension of her practice until a practice monitor is approved.

13. After the Board's written approval of the practice monitor, Respondent and the practice monitor shall enter into a written contract for monitoring within 30 days. If this requirement is not satisfied, Respondent must cease practice and agrees to suspension of her practice until the written contract for practice monitoring is executed. The practice monitor shall provide a copy of the written contract to the Board as a part of his/her first report to the Board. The contract must contain a provision stating that the practice monitor has received a copy of this Order, the complaint and responsive documents, any investigative report, and the practice evaluation; has read these documents; and understands the duties and responsibilities s/he is undertaking as Respondent's practice monitor. The practice monitor shall ensure that a written notification is provided to each of Respondent's clients, informing the clients of the name, address, and telephone number of the practice monitor. This written notification may be provided in a mandatory disclosure statement.

14. The practice monitor shall conduct a practice evaluation during the first month of practice monitoring. The practice evaluation shall examine all aspects of Respondent's practice or proposed practice and her qualifications and ability to practice in accordance with generally accepted standards of practice and with skill and safety for clients, and determine whether she has the necessary qualifications, current ability, and competence to practice. The first practice monitoring report shall include the findings of the practice evaluation.

15. Should the Board determine from the practice monitor's evaluation that Respondent cannot practice any part of her practice with skill and safety for clients in accordance with generally accepted standards of practice or does not have the appropriate qualifications, ability or competence for practice, Respondent shall immediately cease any part of the practice that the Board determines, based on the evaluation, she is not qualified, competent, or safe to conduct. Based on the Board's findings and the evaluation, the Board will determine necessary actions that Respondent must take and conditions Respondent must meet so that Respondent can practice with skill and safety for clients in accordance with generally accepted standards of practice in any areas the Board finds Respondent is not qualified, competent, and safe to practice. Once Respondent satisfies the Board that she is qualified, competent, and safe to fully practice, Respondent may resume full practice.

16. The practice monitoring shall consist of individual, in-person (face-to-face) sessions that occur for one (1) hour, or such longer time as the practice monitor deems necessary, for every twenty (20) hours of client contact, but at least once each month. Respondent and her practice monitor must review and discuss each of Respondent's active cases at least once every month in order to allow the practice monitor to be able to determine whether Respondent is practicing professional counseling in accordance with generally accepted standards of practice and with skill and safety for her clients.

17. The practice monitor shall submit a written report to the Board on the fifth day of the month following the first full month of practice monitoring. All subsequent reports shall be submitted on the fifth day of each month for the first twelve (12) reports. After the submission of the first twelve (12) reports, unless otherwise ordered by the Board, the practice monitor shall submit his/her reports by the fifth day of every third month (i.e. on a quarterly basis) until the practice monitoring is completed.

18. If at any time the Board has questions or concerns regarding the monitoring, the practice monitor agrees to attend any Board meeting necessary to address the

Board's concerns. The Board will give the practice monitor 30 days notice prior to requiring the practice monitor's attendance at the Board meeting.

19. If at any time the practice monitor believes Respondent is not in compliance with this Order, is unable to practice with skill and safety to her clients, or has committed a violation of the practice act or rules and regulations, the practice monitor shall immediately notify the Board, in writing, and include the basis for this conclusion. A copy will be sent to Respondent. Upon submission of such a report, Respondent shall immediately cease the practice of professional counseling.

20. Respondent shall make every effort to ensure that all reports by the practice monitor are complete and timely submitted to the Board. If, in the Board's judgment, the practice monitor fails to perform the function specified by this Order, the Board may require that a new practice monitor assume the responsibilities herein. If for any reason the practice monitor ceases to perform the functions specified in this Order, Respondent shall submit, in writing, a new proposed practice monitor to the Board within 30 days.

21. Respondent or the practice monitor may terminate the monitoring relationship upon written notice to the other and to the Board not less than 60 days before the date of termination. The notice shall state the reason for the termination. Respondent shall immediately initiate efforts to obtain another Board-approved practice monitor, who shall conduct his/her monitoring and report to the Board in accordance with this Order.

### **CONTINUING EDUCATION**

22. During the period of probation, Respondent must successfully complete at least ten (10) hours of Board-approved professional continuing education ("CE") courses each year in the areas of ethics and dual relationships. Respondent shall obtain Board approval of the courses prior to enrolling in each course. Upon completion of a course, Respondent shall ensure that a certificate of completion is provided to the Board. These hours of CE completed pursuant to this section shall be required in addition to, and may not be counted toward, the mandatory professional Continuing Professional Development requirements for an active Colorado license or to meet any other licensure requirements.

### **TERMS AND CONDITIONS**

23. Respondent will strictly observe the prohibitions set forth in section 12-43-222, C.R.S., and will ensure that she does not engage in any activities that are

prohibited and that she practices in accordance with the generally accepted standards of practice.

24. Respondent shall not supervise or consult with other mental health providers for the purpose of those persons providing mental health services, unless such supervision or consultation is monitored in accordance with this Order.

25. All expenses incurred or associated with practice monitoring, education, or any other requirement necessary to fulfill the terms of this Order, shall be the sole responsibility of Respondent and not the Board.

26. In the event Respondent relocates at any time at any time during the probationary period, Respondent shall notify the Board of the change of address within 30 days of the effective date of such change.

27. Respondent is fully aware of and understands the right to receive a formal notice of hearing and charges and to have a formal disciplinary hearing, pursuant to section 12-43-224, C.R.S., and hereby waives those rights. Further, Respondent also acknowledges that this waiver constitutes a waiver of all rights to appeal in this matter.

28. This Order is entered into by Respondent voluntarily and without coercion, after an opportunity to consult with counsel and with full understanding of the legal consequences of this Order and the right to formal hearing on all matters herein.

29. This Order shall become an order of the Board when it is accepted and signed by the Program Director or authorized Board representative.

30. The Order entered pursuant to this Stipulation and Final Agency Order shall constitute a Board order for purposes of section 12-43-222, C.R.S., and shall have the same force and effect as an order entered after a formal disciplinary hearing pursuant to section 12-43-224, C.R.S.

31. Respondent acknowledges and agrees that any violation of this Order shall constitute a violation of a lawful Board Order and be grounds for further proceedings pursuant to the Mental Health Practice Act and, if proven, may constitute a basis for further disciplinary action. The pendency of any disciplinary action shall not affect the obligation of Respondent to comply with the terms of this Order, and this Order shall remain operative and in full force and effect.

32. This Order constitutes the entire agreement between Respondent and the Board. There are no other promises expressed or implied. In the event that any

provision of this Order is deemed unenforceable by a court of competent jurisdiction, such provision shall be severed, and the remainder of this Order shall be given full force and effect.

33. This Order shall become effective upon (a) mailing by first-class mail to Respondent at Respondent's address of record with the Board, or (b) service by electronic means on Respondent at Respondent's electronic address of record with the Board. Respondent hereby consents to service by electronic means if Respondent has an electronic address on file with the Board.

34. This Order shall be admissible as evidence at any hearing held before the Board.

35. This Order shall be a public record in the custody of the Board.
