Re: Complaint Filed By DC
Case No. 2014-2142, (LPC)
License # LPC.4420
Letter of Admonition

Dear Mr. Bishop:

On November 7, 2014, the State Board of Licensed Professional Counselor Examiners (Board) reviewed the available material concerning the above referenced case. After thorough review, the Board found probable cause to believe you violated C.R.S. §12-43-222 (1)(b) and §12-43-216, and issues this Letter of Admonition in accordance with C.R.S. §12-43-224(3)(d).

The Board found that you improperly used a title protected by the Mental Health Practice Act, specifically, the title of "psychologist," without holding a license as a psychologist in the State of Colorado.

By this letter, the Board takes the formal disciplinary action of admonishing you for the conduct specified above, and warns you that repetition of such practice may lead to imposition of more severe disciplinary action. This letter is an open public record and a reportable action to individuals or entities requesting disciplinary information. The Board strongly encourages you to review and understand the Mental Health Practice Act requirements and obligations for the practice of licensed professional counselor/psychotherapy in Colorado.

In accordance with C.R.S. §12-43-224(3)(d), the Board advises you that you have the right to make a written request that the Board initiate formal disciplinary proceedings in order to adjudicate the conduct or acts upon which this letter is based. You must make your written request within twenty (20) days after receipt of this letter and address your request to Jacqueline Arcelin, Program Director, at the address listed below. If you make a timely request, the Board will deem this letter of admonition vacated and may proceed with disciplinary and/or injunctive proceedings in accordance with C.R.S. §12-43-224(3)(d), and applicable rules.

If this letter is not vacated, it will become the final agency action in this matter.

Sincerely,

FOR THE STATE BOARD OF LICENSED PROFESSIONAL COUNSELOR EXAMINERS

Jacqueline Arcelin
