Re: Case Nos. 2016-6305 (CAC) and 2016-4187 (LPC)
License Nos. ACC.0007143 and LPC.0012317
Letter of Admonition

Dear Mr. Castro:

On April 11, 2017, the State Board of Addiction Counselor Examiners (CAC Board), and on May 5, 2017, the State Board of Licensed Professional Counselor Examiners (LPC Board), reviewed the available material concerning the above referenced case. After thorough review, the Board found probable cause to believe you violated section 12-43-222(1)(g), C.R.S., and issues this Letter of Admonition in accordance with section 12-43-224(3)(d), C.R.S.

By attending a session while under the influence of a prescription medication that rendered you unable to practice with reasonable skill and safety, you acted or failed to act in a manner that does not meet the generally accepted standards of the professional discipline.

By this letter, the Board takes the formal disciplinary action of admonishing you for the conduct specified above, and warns you that repetition of such practice may lead to imposition of more severe disciplinary action. This letter is an open public record and a reportable action to individuals or entities requesting disciplinary information. The Board strongly encourages you to review and understand the Mental Health Practice Act requirements and obligations for the practice of addiction counseling in Colorado.

Pursuant to agreement with the Board, you are waiving the right provided by section 12-43-224(3)(d), C.R.S., to contest this Letter of Admonition. A Letter of Admonition, when accepted, becomes a permanent public record.
