Dear Mr. Clavijo:

On June 7, 2011, the Division Director for the Office of Addiction Counselors ("Director") reviewed the available material concerning the above referenced case. After thorough review, the Director found probable cause to believe you violated CRS 12-43-216, 12-43-222(1) (g), and (n), and issued this Letter of Admonition in accordance with CRS 12-43-224(3)(d). Specifically, the Director determined:

- You violated DVOMB standards 5.01 and statute 16-11.8-104 CRS by allowing non-approved DVOMB individual to provide domestic violence offender treatment.

By this letter, the Director takes the formal disciplinary action of admonishing you for the conduct specified above, and warns you that repetition of such practice may lead to imposition of more severe disciplinary action. This letter is an open public record and a reportable action to individuals or entities requesting disciplinary information. The Director strongly encourages you to review and understand the Mental Health Practice Act requirements and obligations for the practice of addiction counseling/psychotherapy in Colorado.

In accordance with CRS 12-43-224(3)(d), the Director advises you that you have the right to make a written request that the Director initiate formal disciplinary proceedings in order to adjudicate the conduct or acts upon which this letter is based. You must make your written request within twenty (20) days after receipt of this letter and address your request to Ronne M. Hines, Program Director, at the address listed below. If you make a timely request, the Director will deem this letter of admonition vacated and may proceed with disciplinary and/or injunctive proceedings in accordance with CRS 12-43-224(3)(d), and applicable rules.

If this letter is not vacated, it will become the final agency action in this matter.

Sincerely,

FOR THE OFFICE OF ADDICTION COUNSELORS
