RE: SGB #96.060(U)
Letter of Admonition

Dear Ms. Daniels:

At its meeting on February 9, 1996, the 11-member Colorado State Grievance Board (Board) reviewed the available information concerning the complaint filed against you by

After thorough review, the Board found that your handling of this matter warranted formal disciplinary action concerning your psychotherapy practice in Colorado.

In the opinion of the Board, there are reasonable grounds to believe you failed to meet the generally-accepted standards of practice and violated sections 12-43-218, 12-43-220 and 12-43-704(1)(b) and (g), C.R.S. Specifically, the Board determined that:

You violated client confidentiality by disclosing information without a release from the client.

You failed to comply with section 12-43-220, C.R.S., which requires any licensed or unlicensed person engaged in the practice of psychotherapy to be listed in the mental health database directory by January 1, 1993.

The Board strongly encourages you to review and understand the Mental Health Practice Act requirements and obligations for the practice of psychotherapy in Colorado and asks that you attend a jurisprudence (law and ethics) workshop. Enclosed, for your convenience, is a list of workshop presenters.

By this letter, the Board takes the formal disciplinary action of admonishing you for the conduct specified above.

You must make your written request within twenty (20) days after receipt of this letter and address your request to Amos D. Martinez, Program Administrator, at the above letterhead address. If you make a timely request, the Board will deem this letter of admonition vacated and may proceed with disciplinary and/or injunctive proceedings in accordance with section 12-43-705(2), C.R.S., and applicable rules.
