date.

2. The Boards have jurisdiction over Respondent and over the subject matter
of this proceeding.

3. On November 7, 2025 and December 2, 2025, the Boards reviewed materials

5. Based upon the information and the totality of the circumstances,
Respondent has offered to enter into an agreement for Respondent not to practice as
an addiction counselor or professional counselor in the interim as set forth in more
detail below, and the Boards have authorized the parties to enter into an agreement
for Respondent to limit her practice as an addiction counselor and professional
counselor.

6. The parties have agreed to enter into this Non-Disciplinary Interim Cessation of Practice Agreement (“Interim Agreement”) pending further evaluation and investigation of Respondent to determine what further actions, if any, are warranted. Any summary suspension that could be imposed by the Boards are hereby stayed pursuant to the terms of this Interim Agreement.

7. Respondent agrees that she will not perform any act requiring a license issued by the Boards while this Interim Agreement is in effect.

8. This Interim Agreement shall remain in effect until such time as the parties reach a final disposition of this case or, in the event summary suspension proceedings are initiated, an order for summary suspension enters.

9. The Boards agree that it will not institute summary suspension proceedings while this Interim Agreement is in effect so long as the Respondent remains in compliance with this Interim Agreement and so long as the Boards do not learn of new information that would indicate that summary suspension is warranted.

10. Nothing in this Interim Agreement shall constitute disciplinary action, a finding that Respondent has engaged in unprofessional conduct, or any admission by Respondent of unprofessional conduct. There have been no final determinations regarding Respondent’s professional competence or professional conduct. Nothing in this Interim Agreement shall constitute final action as defined in section 24-4-102(1), C.R.S.

11. Nothing in this Interim Agreement shall preclude the Boards from initiating disciplinary action pursuant to section 12-245-224, C.R.S., or issuing a Final Agency Order while this Interim Agreement is in effect.

12. Respondent understands that Respondent has the right to be represented by counsel of Respondent’s choice in this matter, and Respondent has voluntarily chosen to proceed without representation.

13. The terms of this Interim Agreement were mutually negotiated and determined.

14. Both parties acknowledge that they understand the legal consequences of this Interim Agreement, both parties enter into this Interim Agreement voluntarily, and both parties agree that no term or condition of this Interim Agreement is unconscionable.

15. This Interim Agreement and all its terms constitute a valid board order for purposes of section 12-245-224(1)(b), C.R.S.

16. Invalidation of any portion of this Interim Agreement by judgment or court order shall in no way affect any other provision, which provision shall remain in full force and effect.

17. This Interim Agreement shall be effective upon signature by Respondent.

Respondent acknowledges that the Boards may choose not to accept the terms of this Interim Agreement and that if the Interim Agreement is not approved by the Boards and signed by a Board member or other authorized person, it is void.

18. This Interim Agreement constitutes the entire agreement between the parties, and there are no other agreements or promises, written or oral, which modify, interpret, construe, or affect this Interim Agreement.

19. All costs and expenses incurred by Respondent to comply with this Interim Agreement shall be the sole responsibility of Respondent and shall in no way be the obligation of the Boards.

20. Upon becoming effective, this Interim Agreement shall be open to public inspection and shall be publicized pursuant to the Boards' standard policies and procedures.
