PROBATION

7. Respondent's license to practice as a LPC in the State of Colorado is hereby placed on probation for one (1) year, commencing from the effective date of this Order or the date Respondent's practice monitor is approved, whichever date is later. During the probationary period, Respondent shall be bound by the terms and restrictions set forth in this Order.

8. The period of probation is tolled during any time that Respondent is not practicing in this state, and the period of probation shall resume at such time as Respondent resumes practicing in the State of Colorado in accordance with this Order.

9. Credit toward the period of probation will be given only for the period of time during which Respondent is practicing as a LPC in Colorado, is being monitored by a practice monitor for the LPC Board, and is in full compliance with all terms of this Order.

10. If, at the end of the probationary period, Respondent has adhered to all terms and conditions of this Order, Respondent may request termination of probation. Request for termination of probation must be made in writing to the LPC Board, and Respondent is responsible for establishing, to the satisfaction of the LPC Board, that she has satisfied all terms and conditions of probation.

PRACTICE MONITOR

11. During the term of probation, Respondent's practice shall be monitored by a practice monitor. Within 30 days of the effective date of this Order, Respondent shall submit, in writing, three (3) proposed practice monitors for LPC Board approval. Respondent shall include a program-approved practice monitor application from each

potential monitor, with attached curriculum vita or resume. The practice monitor shall meet the following criteria:

a. The practice monitor shall be a licensed, certified, or listed, currently practicing mental health provider in the State of Colorado;

b. It is recommended that the practice monitor have a minimum of five (5) years of experience and has not been subject to professional discipline; and

c. The practice monitor shall have no current or past financial or personal interest in Respondent or Respondent's practice. Former employees and business associates fall under this provision.

12. Respondent must have a practice monitor approved by the LPC Board within two (2) months of the effective date of this Order. If this requirement is not satisfied, Respondent must cease practice and agrees to suspension of her practice until a practice monitor is approved unless an extension is granted by the LPC Board.

13. After the LPC Board's written approval of the practice monitor, Respondent and the practice monitor shall enter into a written contract for monitoring within 30 days. If this requirement is not satisfied, Respondent must cease practice and agrees to suspension of her practice until the written contract for practice monitoring is executed unless an extension is granted by the LPC Board. The practice monitor shall provide a copy of the written contract to the LPC Board as a part of his or her first report to the LPC Board. The contract must contain a provision stating that the practice monitor has received a copy of this Order, the complaint and responsive documents, any investigative report, and the practice evaluation; has read these documents; and understands the duties and responsibilities he or she is undertaking as Respondent's practice monitor. The practice monitor shall ensure that a written notification is provided to each of Respondent's clients, informing the clients of the name, address, and telephone number of the practice monitor. This written notification may be provided in a mandatory disclosure statement.

14. The practice monitor shall conduct a practice evaluation during the first month of practice monitoring. The practice evaluation shall examine all aspects of Respondent's practice or proposed practice, and her qualifications and ability to practice in accordance with generally accepted standards of practice and with skill and safety for clients and determine whether she has the necessary qualifications, current ability, and competence to practice. The first practice monitoring report shall include the findings of the practice evaluation.

15. Should the LPC Board determine from the practice monitor's evaluation that Respondent cannot practice any part of her practice with skill and safety for clients in accordance with generally accepted standards of practice or does not have the appropriate qualifications, ability, or competence for practice, Respondent shall immediately cease any part of the practice that the LPC Board determines, based on the

evaluation, she is not qualified, competent, or safe to conduct. Based on the LPC Board's findings and the evaluation, the LPC Board will determine necessary actions that Respondent must take and conditions Respondent must meet so that Respondent can practice with skill and safety for clients in accordance with generally accepted standards of practice in any areas the LPC Board finds Respondent is not qualified, competent, and safe to practice. Once Respondent satisfies the LPC Board that she is qualified, competent, and safe to fully practice, Respondent may resume full practice.

16. The practice monitoring shall consist of either individual in-person (face to-face) or virtual/remote sessions that occur once per month, or such frequency as the practice monitor deems necessary, for the duration of the probation period, but at least once per month. Respondent and her practice monitor must review and discuss each of Respondent's active cases at least once every month in order to allow the practice monitor to be able to determine whether Respondent is practicing in accordance with generally accepted standards of practice and with skill and safety for Respondent's clients.

17. The practice monitor shall submit a written report to the LPC Board on the fifth day of the month following the first full month of practice monitoring. All subsequent reports shall be submitted on the fifth day of each month for the remainder of the probationary period.

18. If at any time the LPC Board has questions or concerns regarding the monitoring, the practice monitor agrees to attend any LPC Board meeting necessary to address the LPC Board's concerns. The LPC Board will give the practice monitor 30 days' notice prior to requiring the practice monitor's attendance at a LPC Board meeting.

19. If at any time the practice monitor believes Respondent is not in compliance with this Order, is unable to practice with skill and safety to her clients or has committed a violation of the practice act or rules and regulations, the practice monitor shall immediately notify the LPC Board, in writing, and include the basis for this conclusion. A copy will be sent to Respondent. Upon submission of such a report, Respondent shall immediately cease practice.

20. Respondent shall make every effort to ensure that all reports by the practice monitor are complete and timely submitted to the LPC Board. If, in the LPC Board's judgment, the practice monitor fails to perform the function specified by this Order, the LPC Board may require that a new practice monitor assume the responsibilities herein. If for any reason the practice monitor ceases to perform the functions specified in this Order, Respondent shall submit, in writing, a new proposed practice monitor to the LPC Board within 30 days.

21. Respondent or the practice monitor may terminate the monitoring relationship upon written notice to the other and to the LPC Board not less than 60 days before the date of termination. The notice shall state the reason for the termination. Respondent shall immediately initiate efforts to obtain another LPC Board-approved practice monitor, who shall conduct his/her monitoring and report to the LPC Board in

accordance with this Order.

Respondent acknowledges and agrees that any violation of this Order shall constitute a violation of a lawful Board Order and be grounds for further proceedings pursuant to the Mental Health Practice Act and, if proven, may constitute a basis for further disciplinary action. The pendency of any disciplinary action shall not affect the obligation of Respondent to comply with the terms of this Order, and this Order shall remain operative and in full force and effect.

In the event that any provision of this Order is deemed unenforceable by a court of competent jurisdiction, such provision shall be severed, and the remainder of this Order shall be given full force and effect.
