Letter of Admonition

Dear Mr. Lawandales:

On March 4, 2016, the State Board of Licensed Professional Counselors Examiners (Board) reviewed the available material concerning the above referenced case. After thorough review, the Board found probable cause to believe you violated C.R.S. §12-43-222(B) and Rule 18, and issues this Letter of Admonition in accordance with C.R.S. §12-43-224(3)(d).

Licensee has violated, attempted to violate, or aided in the violation/attempted violated of any provision of this article or any rule of the Board. Effective January 1, 2011, licensed professional counselors shall demonstrate competence through participation and compliance with the Continued Professional Development program in order to renew, reinstate or reactivate a license to practice professional counseling in the State of Colorado.

Please note that your license has been flagged in the Department of Regulatory Agency's computer system, which requires that you must go before the Board if you apply for reinstatement of your license.

By this letter, the Board takes the formal disciplinary action of admonishing you for the conduct specified above, and warns you that repetition of such practice may lead to imposition of more severe disciplinary action. This letter is an open public record and a reportable action to individuals or entities requesting disciplinary information. The Board strongly encourages you to review and understand the Mental Health Practice Act requirements and obligations for the practice of counseling in Colorado.

In accordance with C.R.S. §12-43-224(3)(d), the Board advises you that you have the right to make a written request that the Board initiate formal disciplinary proceedings in order to adjudicate the conduct or acts upon which this letter is based. You must make your written request within twenty (20) days after receipt of this letter and address your request to Catherine Rodriguez, Program Director, at the address listed below. If you make a timely request, the Board will deem this letter of admonition vacated and may proceed with disciplinary and/or injunctive proceedings in accordance with C.R.S. §12-43-224(3)(d), and applicable rules.
