RE: Complaint filed by the SOMB
Board Case #2009-003941
Letter of Admonition

Dear Dr. Leveille:

On September 25, 2009, the Colorado State Licensed Professional Counselors Examiners Board (Board) reviewed the available material concerning the above listed complaint filed by the SOMB. After thorough review and discussion, the Board found probable cause to believe you violated § 12-43-218, C.R.S., and issued this Letter of Admonition in accordance with C.R.S. § 12-43-224(3)(d), C.R.S. Specifically, the Board determined:

You breached client confidentiality by disclosing the relationship between the counselor and the client to a third party who was not therapeutically involved.

By this letter, the Board takes the formal disciplinary action of admonishing you for the conduct specified above, and warns you that repetition of such practice may lead to imposition of more severe disciplinary action. This letter is an open public record and a reportable action to individuals or entities requesting disciplinary information. The Board strongly encourages you to review and understand the Mental Health Practice Act requirements and obligations for the practice of professional counseling/psychotherapy in Colorado.

In accordance with § 12-43-224(3)(d), C.R.S., the Board advises you that you have the right to make a written request that the Board initiate formal disciplinary proceedings in order to adjudicate the conduct or acts upon which this letter is based. You must make your written request within twenty (20) days after receipt of this letter and address your request to Carlotta D. Knox, Program Director, at the above letterhead address. If you make a timely request, the Board will deem this letter of admonition vacated and may proceed with disciplinary and/or injunctive proceedings in accordance with § 12-43-224(3)(d), C.R.S., and applicable rules.

If this letter is not vacated, it will become the final agency action in this matter.

Sincerely,

Carlotta D. Knox
Program Director
