**IN THE MATTER OF DISCIPLINARY PROCEEDINGS REGARDING THE LICENSE
TO PRACTICE PROFESSIONAL COUNSELING IN THE STATE OF COLORADO OF
THEODORE LIMMEL, LPC, LICENSE NO.4053 ,**

RESPONDENT.

IT IS HEREBY STIPULATED and agreed by and between the State Board of Licensed Professional Counselors Examiners ("Board") and Theodore Limmel, LPC ("Respondent") as follows:

1. Respondent was licensed to practice as a professional counselor in the State of Colorado on June 2, 2005, and was issued license number 4053, which Respondent has held continuously since that date.
2. The Board has jurisdiction over the person of Respondent and the subject matter of this proceeding.
3. On August 2, 2007, the Board reviewed case number 2007-000929 and ordered a mental status evaluation of Respondent.
4. The parties have agreed to enter into this Stipulation for Interim Cessation of Practice ("Stipulation") in order to provide the Board the opportunity to consider Respondent's proposed resolution of this matter.
5. Respondent agrees that he will not engage in professional counseling as defined in C.R.S. § 12-43-601, (2004) or psychotherapy as defined in C.R.S. § 12-43-201(9), (2004) while this Stipulation is in effect.
6. Nothing in this Stipulation shall constitute disciplinary action or a finding that Respondent has engaged in substandard practice. The Board has made no final determinations regarding Respondent's professional competency or professional conduct. Nothing in this Stipulation shall constitute final actions as defined in C.R.S. § 24-4-102(1), (2004).

7. Nothing in this Stipulation shall preclude the Board from initiating disciplinary action pursuant to C.R.S. § 12-42-222, (2004) or from issuing a Final Agency Order even while this Stipulation is in effect.

8. The terms of this Stipulation were mutually negotiated and determined.

9. Both parties acknowledge that they understand the legal consequences of this Stipulation, both parties enter into this Stipulation voluntarily, and both parties agree that no term or condition of this Stipulation is unconscionable.

10. This Stipulation and all its terms and conditions constitute a valid Board Order for purposes of C.R.S. § 12-43-222(1) (b), (2004).

11. Respondent understands that Respondent has the right to be represented by counsel of Respondent's choice in this matter, and Respondent is so represented.

12. Invalidity of any portion of this Stipulation by judgment or court order shall in no way affect any other provision, which provision shall remain in full force and effect.

13. This Stipulation shall become effective when accepted and signed on behalf of the Board. This Stipulation will remain effective for at least ninety days following its effective date or until another Stipulation with the Board regarding Respondent takes effect. This Stipulation will no longer be effective if the Board files an Order of Summary Suspension and Notice of Charges.

14. This Interim Stipulation shall constitute a public record but is not reportable to the National Practitioner Data Bank or to the Healthcare Integrity Protection Data Bank.
