Except as otherwise provided in subsection (4) of this section, every licensee, registrant, or certificate holder shall provide the following information in writing in the mandatory disclosure of information to each client during the initial client contact. The mandatory disclosure statement was missing some of the statutorily required information. Please ensure to include this information on the form in the future.

By this letter, the Board takes the formal disciplinary action of admonishing you for the conduct specified above, and warns you that repetition of such practice may lead to imposition of more severe disciplinary action. This letter is an open public record and a reportable action to individuals or entities requesting disciplinary information. The Board strongly encourages you to review and understand the Mental Health Practice Act requirements and obligations for the practice of counseling in Colorado.

In accordance with C.R.S. 512-43-224(3)(d), the Board advises you that you have the right to make a written request that the Board initiate formal disciplinary proceedings in order to adjudicate the conduct or acts upon which this letter is based.
