During the probationary period, Respondent shall be bound by the terms and restrictions set forth in this Order. If at any time Respondent is not in compliance with the terms and restrictions of probation, including having a practice monitor in place, Respondent shall cease the practice of professional counseling.

8. The period of probation is tolled during any time that Respondent is not practicing in the State of Colorado, and such period of probation shall resume at such time as Respondent resumes practicing in the State of Colorado in accordance with this Order.

10. Credit toward the period of probation will be given only for the period of time during which Respondent is practicing professional counseling in the State of Colorado, is being monitored by a practice monitor, and is in full compliance with all terms of this Order.

11. If, at the end of the probationary period, Respondent has adhered to all terms and conditions of this Order, Respondent may request termination of probation. 12. After successful completion of no less than 1 year of probation, including practice monitoring and all yearly continuing education requirements, Respondent may petition the Board for early termination of probation. The parties agree that the Board's decision regarding such a petition shall be made at the sole discretion of the Board. Respondent is waiving the right to appeal the Board decision on this issue.

PRACTICE MONITOR

13. During the term of probation, Respondent's practice shall be monitored by a practice monitor. Within 30 days of the effective date of this Order, Respondent shall submit, in writing, three proposed practice monitors for the Board's approval. Respondent shall include a Board-approved practice monitor application from each potential monitor, with attached curriculum vita or resume. The proposed practice monitors shall meet the following criteria:

15. After the Board's written approval of the practice monitor, Respondent and the practice monitor shall enter into a written contract for monitoring. The practice monitor shall provide a copy of the written contract to the Board as a part of his/her first report to the Board. The contract must contain a provision stating that the practice monitor has received a copy of this Order, the complaint, and all responsive documents; read these documents; and understands and agrees to perform the duties and responsibilities s/he is undertaking as Respondent's practice monitor. The practice monitor shall ensure that a written notification is provided to each of Respondent's clients, informing the clients of the name, address, and telephone number of the practice monitor. This written notification may be provided in a mandatory disclosure statement.

16. The practice monitoring shall consist of individual, in-person (face-to-face) sessions that occur for at least one hour for every 20 hours of client contact, or such longer time as the practice monitor deems necessary, but at least once a month. During the practice monitoring sessions, Respondent and her practice monitor must review and discuss each of Respondent's active cases at least once every month in order to allow the practice monitor to be able to determine whether Respondent is practicing professional counseling in accordance with generally accepted standards of practice and with skill and safety for her clients.

17. The practice monitor shall submit a written report to the Board on the fifth day of the month following the first full month of practice monitoring. All subsequent reports shall be submitted on the fifth day of each month for the first 12 reports. After the submission of the first 12 reports, unless otherwise ordered by the Board, the practice monitor shall submit his/her reports by the fifth day of every third month (i.e. on a quarterly basis) until the practice monitoring is completed.

18. If at any time the Board has questions or concerns regarding the monitoring, the practice monitor agrees to attend any Board meeting necessary to address the Board's concerns. A copy will be sent to Respondent. At that time, the Board will make the determination as to whether or not

Respondent is able to practice with reasonable skill and safety and whether emergency action should be taken under § 24-4-104 .

20. Respondent shall make every effort to ensure that all reports by the practice monitor are complete and timely submitted to the Board. If, in the Board's judgment, the practice monitor fails to perform the function specified by this Order, the Board may require that a new practice monitor assume the responsibilities herein. If for any reason the practice monitor ceases to perform the functions specified in this Order, Respondent shall submit, in writing, a new proposed practice monitor to the Board within 30 days.

21. Either Respondent or the practice monitor may terminate the monitoring relationship upon written notice to the other and to the Board not less than 60 days before the date of termination. The notice shall state the reason for the termination. Respondent shall immediately initiate efforts to obtain another Board-approved practice monitor, who shall conduct his/her monitoring and report to the Board in accordance with this Order. If Respondent does not have another practice monitor in place before the termination date, Respondent shall cease the practice of professional counseling until she has another Board-approved practice monitor in place.

During the period of probation, Respondent must successfully complete at least twenty (20) hours *each year* of Board-approved professional continuing education courses in the areas of legal/ethical, dual relationships, and confidentiality. Respondent shall obtain Board approval of the courses prior to enrolling in each course. Upon completion of a course, Respondent shall ensure that a certificate of completion is mailed to the Board.

TERMS AND CONDITIONS

23. Respondent will strictly observe the prohibitions set forth in §12-43-222(1), C.R.S., of the Mental Health Practice Act, and will ensure that she practices in accordance with the generally accepted standards of practice.

24. Respondent shall not supervise or consult with other mental health providers for the purpose of those persons providing mental health services, unless such supervision or consultation is monitored in accordance with this Order.

25. All expenses incurred or associated with the practice monitoring, education, or any other requirement necessary to fulfill the terms of this Order shall be the sole responsibility of Respondent and not the Board.

26. During the pendency of this Order, Respondent agrees that she will provide permission to and allow her practice monitor to provide records and information obtained in the normal course of practice monitoring to the Board if the practice monitor determines that Respondent is not practicing professional counseling in accordance with generally accepted standards of practice and/or has a condition that renders her unable to treat clients with skill and safety or that may endanger the health or safety of persons under her care. As part of this Order,

Respondent expressly waives her right to maintain confidentiality of records or information provided to the practice monitor in the normal course of practice monitoring if the practice monitor determines that she is not practicing professional counseling in accordance with generally accepted standards of practice and/or has a condition that renders her unable to treat clients with skill and safety or that may endanger the health or safety of persons under her care.

27. In the event Respondent relocates at any time during the probationary period, Respondent shall notify the Board of the change of address within 30 days of the effective date of such change.

28. Respondent is fully aware of and understands the right to receive a formal notice of hearing and charges and to have a formal disciplinary hearing, pursuant to §12-43-224, C.R.S., and hereby waives those rights. Further, Respondent also acknowledges that this waiver constitutes a waiver of all rights to appeal in this matter.

29. This Order is entered into by Respondent voluntarily and without coercion, after an opportunity to consult with counsel and with full understanding of the legal consequences of this Order and the right to a formal hearing on all matters herein.

30. The Order entered pursuant to this Stipulation and Final Agency Order shall constitute a Board Order for purposes of §12-43-222, C.R.S., and shall have the same force and effect as an order entered after a formal disciplinary hearing pursuant to §12-43-224, C.R.S.

31. Respondent acknowledges and agrees that any violation of this Order shall constitute a violation of a lawful Board Order and be grounds for further proceedings pursuant to the Mental Health Practice Act and, if proven, may constitute a basis for further disciplinary action. The pendency of any disciplinary action shall not affect the obligation of Respondent to comply with the terms of this Order, and this Order shall remain operative and in full force and effect.

32. Respondent shall obey all state and federal laws while this Order is in effect.

33. This Order constitutes the entire agreement between Respondent and the Board. There are no other promises expressed or implied. In the event that any provision of this Order is deemed unenforceable by a court of competent jurisdiction, such provision shall be severed, and the remainder of this Order shall be given full force and effect.

34. This Order shall become effective when accepted and signed on behalf of the Board.

35. This Order shall be admissible as evidence at any hearing held before the Board.

36. This Order shall be a public record in the custody of the Board.
