On July 25 and October 21, 2016, the State Board of Registered Psychotherapists (RP Board) reviewed the available material concerning case number 2015-4129. On July 22 and November 6, 2016, the State Board of Licensed Professional Counselor Examiners (LPC Board), reviewed the available material concerning case number 2015-4128. After thorough review, the Board found probable cause to believe you violated section 12-43-214(1)(b), C.R.S., sections 12-43-222(1)(b) and (p), C.R.S., as well as BRP Board Rule 13(b)(14), and issues this Letter of Admonition in accordance with section 12-43-224(3)(d), C.R.S.

A licensee shall provide in writing to each client during the initial client contact an explanation of the levels of regulation applicable to mental health professionals under the Mental Health Practice Act and the differences between licensure, registration, and certification, including the educational, experience and training requirements applicable to the particular level of regulation. Failure to comply with the requirements pertaining to mandatory disclosure of information is in violation of the section 12-43-222(1)(p), C.R.S. Additionally, registered psychotherapists shall maintain records containing a final closing statement (if services are over). Please ensure your mandatory disclosure statement and recordkeeping are in compliance with statutory and rule requirements.

By this letter, the Board takes the formal disciplinary action of admonishing you for the conduct specified above, and warns you that repetition of such practice may lead to imposition of more severe disciplinary action. This letter is an open public record and a reportable action to individuals or entities requesting disciplinary information. The Board strongly encourages you to review and understand the Mental Health Practice Act requirements and obligations for the practice of psychotherapy in Colorado.

Pursuant to agreement with the Board, you are waiving the right provided by section 12-43-224(3)(d), C.R.S., to contest this Letter of Admonition. A Letter of Admonition, when accepted, becomes a permanent public record.
