STATE OF COLORADO

Case No. 2008-003383

ORDER OF SUMMARY SUSPENSION

IN THE MATTER OF SUMMARY SUSPENSION PROCEEDINGS REGARDING
THE LICENSE TO PRACTICE PROFESSIONAL COUNSELING IN THE STATE OF
COLORADO OF MEGHAN PATRICK-COBB, LPC, LICENSE NO. 3524,

Respondent.

TO: Meghan Patrick-Cobb, LPC

The State Board of Licensed Professional Counselor Examiners ("the Board"),
having reviewed all available information as to the matters referenced below, HEREBY
FINDS:

1. Meghan Patrick-Cobb, LPC, ("Respondent") has been licensed as a professional counselor in the State of Colorado since July 31, 2003, and at all times relevant to this matter. Respondent was issued license number 3524.
2. The Board has jurisdiction over the person of Respondent and the subject matter herein.
3. On or about June 15, 2010, Respondent entered into a Stipulation and Final Agency Order with the Board ("the 2010 Stipulation") for substandard care and record-keeping.
4. Respondent agreed to two (2) years probation with the following terms:
 - a. Practice monitoring during the term of probation;
 - b. Within thirty (30) days of the effective date of the 2010 Stipulation (that is by July 15, 2010), Respondent shall submit the names of three (3) proposed practice monitors for the Board's approval.
 - c. The practice monitor must be approved within two (2) months of the effective date of the 2010 Stipulation (that is by August 15, 2010).

d. If the practice monitor is not approved within two (2) months, Respondent shall cease practice until a practice monitor is approved.

5. As of December 1, 2010, Respondent had not submitted the names of any proposed practice monitors to the Board for its approval.

6. The Board sent a letter dated December 1, 2010 to Respondent ("the December 2010 letter"), notifying Respondent that the Board had not received the names of any proposed practice monitors from Respondent.

7. The December 2010 letter also notified Respondent that, as of December 1, 2010, the 2010 stipulation was being held in abeyance, that Respondent must cease practice, and that Respondent could not practice without a practice monitor in place.

8. The December 2010 letter requested that Respondent submit a letter to the Board informing them that she was no longer practicing.

9. Because the Board did not receive a response from Respondent to the December 2010 letter, the Board sent Respondent a second letter on February 1, 2011 ("the February 2011 letter"), notifying Respondent that the Board had not received the names of any proposed practice monitors from Respondent; that as of December 1, 2010, the 2010 stipulation was being held in abeyance; that Respondent must cease practice; that Respondent could not practice without a practice monitor in place; and requesting that Respondent submit a letter to the Board informing them that she was no longer practicing.

10. To date, the Board has not received a response from Respondent to either the December 2010 letter or the February 2011 letter.

11. Pursuant to § 12-43-224(2)(c), C.R.S., the Board is empowered to summarily suspend Respondent's license to practice as a professional counselor in the State of Colorado in the case of a deliberate and willful violation. Based upon the facts stated in paragraphs three (3) through ten (10) above, at its regularly-scheduled Board meeting on March 18, 2011, the Board determined that it had objective and reasonable grounds to believe Respondent has deliberately and willfully violated the terms of the 2010 Stipulation, and therefore it is imperative that emergency action be taken to prevent Respondent from practicing professional counseling and/or psychotherapy in the State of Colorado.

12. Any violation of this Order shall constitute a violation of a lawful Board Order and will be grounds for further proceedings pursuant to the Mental Health Practice Act, and, if proven, may constitute a basis for further disciplinary action. The pendency of any disciplinary action shall not affect the obligation of Respondent to comply with the terms of this Order, and this Order shall remain operative and in full force and effect.

13. This Order does not resolve any other cases, complaints, or matters, known or unknown to the Board or Respondent, as of the effective date of this Order.

14. Respondent shall obey all state and federal laws while this Order is in effect.

15. This Order shall become effective when accepted and signed on behalf of the Board.

16. This Order shall be a public record in the custody of the Board.

THEREFORE, IT IS HEREBY ORDERED that, pursuant to §§24-4-104(4) and 24-4-105(12), C.R.S., the license of Meghan Patrick-Cobb, LPC, to practice professional counseling in the State of Colorado is hereby summarily suspended until such time as the Board determines that Respondent no longer poses a risk to the public or that Respondent should be further disciplined in accordance with §§12-42-221, 222, 223 and/or 224, C.R.S.

IT IS FURTHER ORDERED that Respondent immediately cease, desist, and refrain from engaging in any form of psychotherapy or any other acts that she is licensed to engage in pursuant to her licensure as a professional counselor in the State of Colorado.

DATED this 6th day of April, 2011.
